economic status Consider this as a report from my own listening post It contains actual interviews with people and excerpts from newspapers magazines books and the Internet My intention was to depict my own personal life and my family s and write about my own story based upon personal experiences but also to describe certain mores attitudes customs and cultures of various people in Philippine and American society as I see or interpret them trying not to offend or annoy My observations may not jibe with some people s cultural make up political conviction religious beliefs personal experience sensitivity and interpretation of certain issues and things but such is life I know that no matter where I stand and wherever I go it s always my opinion against any others and I have lots of opinions that can cause obvious negative reactions in the simplest of minds The world is full of cuckoos and we even admire some of them depending on who you ask When it comes to some very burning questions the first casualty is truth since there s a big difference between knowing the real story and the story we re told The historical events and lore that I have used as backdrop are based upon factual records and are of common knowledge in the Philippines and in the United States but people inject their own spin opinion hypocrisy dogma self righteousness politics pandering feeling insight and experience into certain circumstances as I did I have tried to be as truthful and transparent as possible in my own light You can scoff at me but I have no political agenda and I m not a conspiracy theorist I am just that I am I m not rewriting history but trying to give history its true light and history is fickle In my defense I quote the philosopher Voltaire I disapprove of what you say but I will defend to the death your right to say it I also have to show my credentials as Filipino so as to be able to tell Filipino jokes and not get in trouble in consideration that this is my swan song I have lived in these United States since 1968 been drafted to the conflict in Vietnam worked long and hard in my profession have family traveled far now retired and have seen so much of the American society that I almost think of myself as a native On this note I beg for tolerance Pupus to Da Max Pat Sasaki,Douglas Simonson,Ken Sakata,1986 A humorous and informative introduction to the foods of Hawai i featuring definitions cartoons and recipes **Filipino Favorites** Gordon Rock,2020-04-09 The Filipino culinary heritage showcases centuries of colonization and foreign invasions In modern day Philippines the locals manage to impress the world with its unique array of dishes that are proudly their own The recipes might have a tinge of Spanish Chinese Japanese and American influences among others but they were able to keep the local tastes faithful to the popular traits of the Filipinos hospitable and sociable Check out the very best Filipino recipes that are utterly flavorful and delicious in this amazing cookbook Filipino Fiesta Justin McNeal,Lovi Gueta,2023-12-25 Embark on a Culinary Journey to the Philippines You will unlock the vibrant flavors and rich traditions of Filipino cuisine with this captivating cookbook your guide to creating unforgettable meals at home Inside you ll discover Dozens of authentic recipes From classic dishes like adobo and sinigang to lesser known gems like kare kare and halo halo each recipe is meticulously crafted for the home cook Easy to follow instructions With clear step by step guides and helpful tips even novice cooks can confidently navigate the kitchen and whip up impressive dishes Beautiful food photography
