Diverging Loyalties Bruce T. Gourley, 2011 While many white Baptists from Middle Georgia marched off to war others stayed behind and voiced their thoughts from pulpits in associational meetings and in the pages of newspapers and journals While historians have often portrayed white southern Baptists with few exceptions as firmly supportive of the Confederacy the experience of Middle Georgia Baptists is much more dynamic Far from being monolithic Baptists at the local church and associational level responded in a myriad of ways to the Confederacy

Civil War in China Suzanne Pepper, 1999-07-22 Many books have tried to analyze the reasons for the Chinese communist success in China s 1945_1949 civil war but Suzanne Pepper s seminal work was the first and remains the only comprehensive analysis of how the ruling Nationalists lost that war_ not just militarily but by alienating the civilian population through corruption and incompetence Now available in a new edition this authoritative investigation of Kuomintang failure and communist success explores the new research and archival resources available for assessing this pivotal period in contemporary Chinese history Even more relevant today given the contemporary debates in Hong Kong and Taiwan over the terms of reunification with a communist led national government in Beijing this book is essential reading for anyone seeking a nuanced understanding of twentieth century Chinese politics
