Social Studies for the Twenty-First Century Jack Zevin, 2023-03-17 Now in its 5th edition this popular text offers practical interesting exciting ways to teach social studies and a multitude of instructional and professional resources for teachers. Theory curriculum methods and assessment are woven into a comprehensive model for setting objectives planning lessons units and courses choosing classroom strategies and constructing tests for some of the field's most popular and enduring programs. The reflective and integrative framework emphasizes building imagination insight and critical thinking into everyday classrooms encourages problem solving attitudes and behavior and provokes analysis reflection and debate. Throughout the text all aspects of curriculum and instruction are viewed from a tripartite perspective that divides social studies instruction into didactic factual reflective analytical and affective judgmental components. These three components are seen as supporting one another building the groundwork for taking stands on issues past and present. At the center is the author's belief that the heart and soul of social studies instruction perhaps all teaching lies in stimulating the production of ideas looking at knowledge from others viewpoints and formulating for oneself a set of goals values and beliefs that can be explained and justified in open discussion. This new edition is heavily revised and condensed to promote ease of use. Build Your Own Lesson additions to each chapter encourage improvisation and inquiry based teaching and learning across subjects. A Companion Website offers additional activities lessons and resources for pre service and practicing social studies teachers.
