is not lost There is a way to fight back In this smart revealing book you will be introduced to these four invaders of the heart More importantly you will be given four weapons designed specifically to destroy them Writing with deep honesty and gentle humor Andy Stanley shows how you can overcome these monsters and save your world starting now *Story Behind the Book* Andy Stanley is the senior pastor of three North Point Ministries campuses with a cumulative congregation of more than twenty thousand In his role he sees a tremendous number of people struggling with the same basic issues This book is based on a message he spoke to his congregation to help them better understand work through and move beyond the problems caused by a hurting heart From the Hardcover edition **When God Writes Your Story** Joseph Okai Ardayfio

energize and orient the people of God toward the mission of God Opening windows into congregational life especially at worship those who had journeyed through the adult faith formation process describe their experiences and the profound changes that took place in them Adult faith formation is a journey not a program of belonging believing and behaving that draws people into Christ's orbit for life As one participant said For the first time I understood what it meant to be a Christian Through the adult catechumenate she heard the voice of Christ calling her to new life and a rich baptismal identity
