

Animal Farm Chapter Four Questions

Directions: Answer each in a complete sentence. Use textual evidence to support your response.

1. What do Snowball and Napoleon do to encourage the spread of Animalism?

Snowball and Napoleon encourage the spread of Animalism by sending "out flights of pigeons whose instructions were to mingle with the animals on neighboring farms" (Orwell, 54).

2. Who are Frederick and Pilkington?

Frederick and Pilkington are the owners of the farms that reside on each side of Animal Farm.

3. In what ways do the humans try and stop the spread of Animalism?

The humans try and stop the spread of Animalism by stating "the animals there practiced cannibalism, tortured one another with red-hot horseshoes, and had females in common" (Orwell, 55). They were basically trying to spread lies so that the animals would not want to rebel.

4. Where does Snowball get his ideas for defending Animal Farm?

Snowball gets his ideas for defending Animal Farm by studying "an old book of Julius Caesar's campaigns" (Orwell, 57).

5. Describe how the animals are able to successfully defend the farm against the humans.

The animals are able to successfully defend the farm against the humans by working together and strategically planning their defenses.

6. Which animals are injured or killed during the battle?

During the battle, Snowball is injured and one sheep is killed.

7. How do the animals celebrate their victory?

The animals celebrate their victory by reassembling "in the wildest excitement, each recounting his own exploits in the battle" (Orwell, 59).

They also hoisted the flag and sung *Beasts of England*.

8. What part does Napoleon play during the Battle of the Cowshed? What do you think this says about him? During the Battle of the Cowshed, Napoleon was not present whatsoever. His lack of presence shows that Napoleon does not care for the well-being of everyone and does not share in the defense of the farm.
