Shelter Sense ,1992 Advocates for Animals Lori B. Girshick,2017-09-15 With over 65 percent of households having a pet and Americans spending over 60 billion on them each year it s a proven statistic that Americans love animals Public opinions consistently show we favor compassion for all animals Animal welfare rights and protection is one of the most popular issue areas to which individual donors give and is an area in which people working with rescue and nonprofit organizations are extremely passionate In Advocates for Animals Lori Girshick not only provides a better understanding of the laws surrounding animal rights but looks at the nonprofit organizations and people who are making a huge difference in today s growing animal protection community These volunteers and organizations fill the gap in what laws policies practices and services do not address for animal rights protection Through the personal reflections of 204 individuals who volunteer or work with animals in a wide range of circumstances we learn about their paths to involvement what they do what they hope to achieve and how this has impacted their lives Many experts speak of the importance of protecting the rights of animals and without human support many animals face abuse neglect and suffering Advocates for Animals invites you to join these efforts enriching your own lives and living compassion in action toward animals Animal People Adam Reed,2025-01-15 Animal People introduces readers to the professionalized world of animal protection from the perspective of those who consider themselves to be moderate activists Adam Reed explores the interrelationships between moral cause and organizational culture including the ways in which expert roles such as investigator and lobbyist inform the practice and outlook of animal protection This book examines not only connections between forms of professionalism and everyday advocacy but also how those working to improve the welfare of animals can come to possess an expertise in public or mainstream ethics Reed explores these issues through the example of a Scottish based animal protection organization Animal People makes a distinctive contribution to anthropological debate and discussion relating to human and nonhuman animal interactions activism and the attributions and imperatives of moral action *Zoos and Tourism* Warwick Frost,2011 Zoos are important and popular tourist attractions Spread around the world they are typically located in major cities with visitation levels comparable to other major attractions Nature based attractions constructed in artificial settings they face the challenge of trying to balance potentially conflicting aims of conservation education and entertainment The best are

continually developing fresh and effective techniques on visitor interpretation and management the worst highlight the manipulation of animals for human gratification Taking a global approach this book examines the problems and paradoxes of zoos as they try to balance their roles as visitor attractions while repositioning themselves as leading conservation agencies This book provides a detailed and critical examination of the conflicting roles and identities of the modern zoo from a tourism perspective and as such reminds us that zoos are as much about the people who visit them as about the animals that they display At a time when they are under continual critical scrutiny this book delivers a fresh approach to our understanding and appreciation of zoos and of the challenges and opportunities that they face as they strive to remain relevant within modern society Andrew Tribe University of Queensland Australia *The Animals' Agenda*, 1997
