

# Animal Homes

(sung to "On Top of Old Smoky")

On top of a mountain,  
Or under the sea,  
There are so many places  
Where creatures may be.

Alone in a desert,  
Or grouped on a farm,  
Or tucked in a tree trunk  
Away from all harm.

On bright, sunny grasslands,  
Or in a dark cave,  
In jungles and forests,  
Where all must be brave.

On ice in the Arctic,  
Or holed underground,  
There are so many places  
Where creatures are found!

**Fun Animal Rhymes for Children** Riya Sharr, 2011-01-01

Fun Animal Rhymes for Children is a delightful book that introduces young readers to the fascinating world of animals through playful rhymes and vibrant illustrations. Written from the perspective of the animals themselves, the first person narrative allows children to experience their lives, making the information engaging and memorable. The rhymes teach fun facts about animal behaviors, diets, and habitats, such as how a giraffe uses its long neck to reach high branches or how a frog's croak is part of its mating ritual. The colorful illustrations complement the poems, bringing the animals to life and stimulating imagination. This book also fosters empathy for animals and encourages environmental stewardship. In addition to its educational value, the rhyming text helps improve early literacy skills by enhancing phonemic awareness. Fun Animal Rhymes for Children is a wonderful tool for sparking curiosity and appreciation for animals, making learning both entertaining and informative.

**Creative Approaches to Poetry for the Primary Framework for Literacy** Jan Foale, 2009-06-02 Creative Approaches to Poetry for the Primary Framework for Literacy supports teachers in planning teaching and most importantly, enjoying poetry with their pupils. With an emphasis on creative cross-curricular approaches, the authors explore tried and tested methods of teaching poetry in an engaging and comprehensive manner. A carefully considered range of poems has been included in order to expand children's repertoires in a variety of poetic forms. Chapters cover how to develop a range of creative approaches to teaching poetry, involving visualisation, drama, choral speaking, performance, discussion, and writing, how to engage children from a variety of backgrounds and abilities in experiencing poetry in its many forms, integrating the teaching of poetry with all other areas of the curriculum, including ICT and citizenship, effectively linking all work to the KS1 poetry units of the renewed Primary National Framework for Literacy, an innovative model that takes children on a journey, beginning before they meet the poem, through to becoming poets themselves. This accessible and user-friendly book includes informative case studies, photographs, and children's work to demonstrate alternative routes to working with poetry. It will prove an invaluable resource for all primary teachers seeking to employ progressive and effective strategies in the teaching of poetry.

**Ecology and Literatures in English** Françoise Besson, 2018-12-14 In all latitudes, writers hold out a mirror, leading the reader to awareness by telling real or imaginary stories about people of good will who try to save what can be saved and about animals showing humans the way to follow.

Such tales argue that in spite of all destructions and tragedies if we are just aware of and connected to the real world around us to the blade of grass at our feet and the star above our heads there is hope in a reconciliation with the Earth This may start with the emergence or rather the return of a nonverbal language restoring the connection between human beings and the nonhuman world through a form of communication beyond verbalization Through a journey in Anglophone literature with examples taken from Aboriginal African American English Canadian and Indian works this book shows the role played by literature in the protection of the planet It argues that literature reveals the fundamental idea that everything is connected and that it is only when most people are aware of this connection that the world will change Exactly as a tree is connected with all the animal life in and around it texts show that nothing should be separated From Shakespeare s theatre to ecopoetics from travel writing to detective novels from children s books to novels all literary genres show that literature responds to the violence destroying lands men and nonhuman creatures whose voices can be heard through texts **TIME For Kids Nonfiction Readers: Advanced Plus Teacher's Guide** Chandra Prough,2012-09-01 **TIME For Kids Nonfiction Readers: Challenging Plus Teacher's Guide** Chandra Prough,2013-01-15 *Keepers of the Animals* Michael J. **Women Poets in the Victorian Era** Fabienne Moine, 2016-03-09  
Examining the place of nature in Victorian women's poetry Fabienne Moine explores the work of canonical and long neglected women poets to show the myriad connections between women and nature during the period At the same time she challenges essentialist discourses that assume innate affinities between women and the natural world Rather Moine shows Victorian women poets mobilised these alliances to defend common interests and express their engagement with social issues While well known poets such as Elizabeth Barrett Browning and Christina Rossetti are well represented in Moine's study she pays particular attention to lesser known writers such as Mary Howitt or Eliza Cook who were popular during their lifetimes or Edith Nesbit whose verse has received scant critical attention so far She also brings to the fore the poetry of many non professional poets Looking to their immediate cultural environments for inspiration these women reconstructed the natural world in poems that raise questions about the validity and the scope of representations of nature ultimately questioning or undermining social practices that mould and often fossilise cultural identities

she focuses Carter Revard N Scott Momaday Simon Ortiz Lance Henson Roberta Hill Linda Hogan Wendy Rose and Joy Harjo A final chapter on the new generation considers younger poets such as Sherman Alexie Cheryl Savageau Tiffany Midge and Elizabeth Woody among others At the same time Wilson s broad understanding of the literary heritage of East West and First nations allows her to place Native American poetry in global and historical context Wilson points out Native American writers have been influenced by such well known Western canon poets as Blake Whitman and Ginsberg Her study further elucidates the clear mark that Native American literature culture and oral poetic traditions have left on five centuries of British and American literature The Nature of Native American Poetry is a guidebook mapping the modern rhythms of our ancient literary landscape      **Foundations and Change in Early Childhood Education** Martha T.
