Annual School Report Card:

Report Card on Washington's High Schools 2009 , *Report Card on Ontario's Elementary School 2010* ,
Report Card on British Columbia's Elementary Schools 2010 , Organizational Report Cards William T. Gormley Jr., David L. Weimer, 1999-03 In recent years consumers professional organizations government officials and third party payers have become increasingly concerned about how to assess the quality of the services provided by organizations in both the private and the public sectors One new approach is the organizational report card which compares the performance of organizations such as public schools colleges hospitals and HMOs This book offers the first comprehensive study of such instruments It discusses the circumstances under which they are desirable alternatives to other policy instruments such as regulation how they should be designed who is likely to use them and for what purpose and what role if any government should have in their creation Informed by cases drawn from education health and other policy areas this book develops a conceptual framework for analyzing these issues It explores the tradeoffs in measuring performance the methods of communicating results effectively to mass and elite audiences and the ways in which organizations respond to the data gathered **Promising Results, Continuing Challenges** ,1999 Student Results Act of 1999 United States. Congress. House. Committee on Education and the Workforce,1999 **Twenty-First-Century Jim Crow Schools** Raynard Sanders, David Stovall, Terrenda White, 2018-04-03 How charter schools have taken hold in three cities and why parents teachers and community members are fighting back Charter schools once promised a path towards educational equity but as the authors of this powerful volume show market driven education reforms have instead boldly reestablished a tiered public school system that segregates students by race and class Examining the rise of charters in New Orleans Chicago and New York authors Raynard Sanders David Stovall and Terrenda White show how charters private institutions usually set in poor or working class African American and Latinx communities promote competition instead of collaboration and are driven chiefly by financial interests Sanders Stovall and White also reveal how corporate charters position themselves as public to secure tax money but exploit their private status to hide data about enrollment and salaries using misleading information to promote false narratives of student success In addition to showing how charter school expansion can deprive students of a quality education the authors document several other lasting consequences of charter school expansion the displacement of experienced African American teachers the rise of a rigid militarized pedagogy such as SLANT the purposeful starvation of district schools and the loss of community control and oversight A revealing and illuminating look at one of the greatest threats to public education Twenty First Century Jim Crow Schools explores how charter schools have shaped the educational landscape and why parents teachers and community members are fighting back *Journal of the Senate, Legislature of the State of California* California.  world for all The UN Millennium Project was commissioned by United Nations Secretary General Kofi Annan to develop a
 practical plan of action to meet the Millennium Development Goals As an independent advisory body directed by Professor
 Jeffrey D Sachs the UN Millennium Project submitted its recommendations to the UN Secretary General in January 2005 The
 core of the UN Millennium Project s work has been carried out by 10 thematic Task Forces comprising more than 250
 experts from around the world including scientists development practitioners parliamentarians policymakers and
 representatives from civil society UN agencies the World Bank the IMF and the private sector This report lays out the
 recommendations of the UN Millennium Project Task Force on Education and Gender Equality In the education sector the
 Task Force recommends that countries now off track expand access overcome demand side barriers and implement
 institutional changes to make the education system more responsive and accountable As part of a compact with low income
 countries working toward the goal of 100% primary school completion by 2015 donors and the international community must
 fulfill commitments already made under the Fast Track Initiative and commit to still greater levels of support
