Another Hamlet Charles Boyle, 2011-04-04 In *Another Hamlet* which includes both his original 30 page 1993 essay and the original screenplay based upon it Charles Boyle has produced a riveting political thriller that explores the life and tragic death of actor and film maker Leslie Howard a British patriot drawn into a deadly propaganda duel with the Germans Deftly interweaving the behind the scenes politics of World War II with the decadent showbiz world of the 1930s 1940s Boyle makes the tantalizing suggestion that it was Howard's growing conviction that the Earl of Oxford wrote Shakespeare which sealed his doom From Leslie Howard himself to Humphrey Bogart Merle Oberon Winston Churchill Anthony Eden and Joseph Goebbels Boyle brings to life a fascinating and often chilling cast of characters to tell the story of a maverick artist's losing battle with the power brokers of his age Charles Beauclerk author of *Nell Gwynn* and Shakespeare's *Lost Kingdom* The Masks of Hamlet Marvin Rosenberg, 1992 Every reader is an actor according to Rosenberg To prepare the actor reader for insights Rosenberg draws on major interpretations of the play worldwide in theatre and in criticism wherever possible from the first known performances to the present day The book is rich and provocative on every question about the play

The Stage ,1937 Shakespeare Films Peter E.S. Babiak,2016-05-23 This study reexamines the recognized canon of films based on Shakespeare s plays and argues that it should be broadened by breaking with two unnecessary standards the characterization of the director as auteur of a play s screen adaptation and the convention of excluding films with contemporary language or modern or alternative settings or which use the play as a subtext The emphasis is shifted from the director s contribution to the film s social cultural and historical contexts The work of the auteurs is reevaluated within present day contexts preserving the established canon while proposing new criteria for inclusion The Shakespeare Controversy Warren Hope,Kim Holston,2009-07-15 Theories stating that plays attributed to Shakespeare were in fact written by other authors have existed for more than 200 years some theories have been ridiculed and reviled while some have gained growing popular and scholarly support The history of the Shakespeare controversy is presented in this revised edition of the 1992 work with much new information and three additional chapters Part I documents and critically assesses the most important theories on the authorship question Part II is an annotated bibliography arranged chronologically of the many works that deal with the controversy from its vague beginnings to the present The Carry On Girls Gemma Ross,Robert Ross,2023-11-23 Whether it is the seaside postcard bubbly blondes of Barbara Windsor the hysterically historical leading ladies of Joan Sims the coquettish authoritarians of Hattie Jacques or the statuesque confidence of Valerie Leon the Carry On girls are stoic sexy and fiercely independent In this lavish celebration of a pioneering generation of comedy actresses who continue to radiate charm and contemporary relevance a few home truths are revealed and some myths are debunked but above all some of the best loved icons of British entertainment are given fitting affection and respect
