Kperogi,2022-07-27 This book reflects on the rapid rise of social media across the African continent and the legal and extra legal efforts governments have invented to try to contain it The relentless growth of social media platforms in Africa has provided the means of resistance self expression and national self fashioning for the continent s restlessly energetic and contagiously creative youth This has provided a profound challenge to the African gatekeeper state which has often responded with strategies to constrict and constrain the rhetorical luxuriance of the social media and digital sphere Drawing on cases from across the continent contributors explore the form and nature of social media and government censorship often via antisocial media laws or less overt tactics such as state cybersurveillance spyware attacks on social media activists or the artful deployment of the rhetoric of fake news as a smokescreen to muzzle critical voices The book also reflects on the Chinese influence in African governments clampdown on social media and the role of Israeli NSO Group Technologies as well as the tactics and technologies which activists and users are deploying to resist or circumvent social media censorship Drawing on a range of methodologies and disciplinary approaches this book will be an important contribution to researchers with an interest in social media activism digital rebellion discursive democracy in transitional societies censorship on the Internet and Africa more broadly The Washington Law Reporter ,1896 Includes decisions of the District of Columbia Court of Appeals 1902 1934 the United States Court of Appeals for the District of Columbia Circuit 1934 1959 and various other courts of the District of Columbia *National Social Service Systems; a Comparative Study and Analysis of Selected Countries* Dorothy Lally,1971 Comparison of social administration and social service programmes in 27 countries covers institutional frameworks social planning functions financing social research the training of social workers international cooperation etc Bibliography diagram references and statistical tables **United States Code** United States,1980 **The Comprehensive Concordance to the Holy Scriptures** James Bradford Richmond Walker,1894 **The Self-interpreting Bible, Containing the Old and New Testaments** John Brown,1791 Forest and Stream ,1897 **Who's Afraid of the Easter Rising? 1916-2016** James Heartfield,Kevin Rooney,2015-11-27 One hundred years ago Easter 1916 Irish revolutionaries rose against the British Empire proclaiming a Republic from the steps of the General Post Office in Dublin The men and women of the Easter Rising were defeated by the overwhelming force of the British Army in five days of intense fighting Their leaders were executed But the Easter Rising lit a fire that ended with the whole country turning against Westminster s rule and founding a nation But today the heirs to the Irish state are embarrassed about 1916 They are ashamed that their state owes its origins to a revolution Along with academics and other commentators in the press and on television they dismiss the Rising as the work of violent fanatics and the defeat of constitutional politics Who s Afraid of the Easter Rising explains why today s Dublin elite are recoiling from the

origins of their state in a popular struggle Where the critics paint the Rising as an armed conspiracy we explain that it was in fact a revolt against war not a militaristic upsurge but the first challenge to the awful slaughter of the First World War The Statesmen of Europe sacrificed millions upon the altar of war Their recruiting sergeants in Ireland Edward Carson and John Redmond sent 200 000 Irishmen into the slaughter and nearly 50 000 were killed The Easter Rising drew a halt to British recruitment and the blow to the Empire was the first crack in a growing revolt against the war followed by the Russian Revolution in 1917 and the German revolution the following year which ended the conflict The Easter Rising was an inspiration to those who were challenging the Empires of Europe from India to Vietnam from New Zealand to Moscow it was an inspiration to British activists like John Maclean and Sylvia Pankhurst and it was an inspiration to the Irish men and women who rose up against British rule to free their nation **Congressional Record** United States.
