Series Editor: Bernard Hall

**Academic Encounters: American Studies** is a course-based reading, study skills, and writing book that introduces students to topics in American history and culture that are relevant to life in the United States today. These high-interest topics include issues of multicultural rights, racial and linguistic differences, and the digital revolution, gender-based differences, the Internet, jazz, and the legacy and the emergence of American culture and influence from around the world.

The companion book, **Academic Encounters: American Studies**, develops students' reading, writing, listening, and discussion skills, using authentic materials and a variety of audio and print-learning activities. The topics, which correspond with those in the reading, study skills, and writing book, include social rights, institutional American culture, the Internet in education, and the globalization of American life.

### About the Series

**Academic Encounters** is an academic preparation series that uses a course-based approach. There are two books in the series for each content field: one Academic Encounters title that teaches reading, study skills, and writing, and one Academic Encounters title that concentrates on developing students' listening, speaking, and discussion skills. The two books may be used independently or they may be used together to form a complete communication course.

### Cambridge Study Standards

**Academic Encounters: American Studies** introduces students to many of the topics and skills in the United States secondary school standards for American history and social studies.

### CONTACT US TODAY
