Fairies, Ghosts, and Santa Claus Neriko Musha Doerr, 2022-11-11 Investigating the politics of seeing and its effects this book draws on Slavoj i ek s notion of fetish and Walter Benjamin s notion of the optical unconscious to offer newer concepts tinted glasses through which we see the world unit thinking which renders the world as consisting of discrete units and coherants which help fragmented experiences cohere into something intelligible Examining experiences at a Japanese heritage language school a study abroad trip to Sierra Leone as well as in college classrooms this book reveals the workings of unit thinking and fetishism in diverse contexts and explores possibilities for social change *Teaching Tough Topics*

Larry Swartz, 2020-01-15 Teaching Tough Topics shows teachers how to lead students to become caring citizens as they read and respond to quality children's literature. It focuses on topics that can be challenging or sensitive yet are significant in order to build understanding of social justice, diversity, and equity. Racism, Homophobia, Bullying, Religious Intolerance, Poverty, and Physical and Mental Challenges are just some of the themes explored. The book is rooted in the belief that by using picture books, novels, poetry, and nonfiction, teachers can enrich learning with compassion and empathy as students make connections to texts, to others, and to the world.

Literacy Assessment and Intervention for Classroom Teachers

Beverly A. DeVries, 2023-04-25 The Sixth Edition of this comprehensive resource helps future and practicing teachers recognize and assess literacy problems while providing practical, effective intervention strategies to help every student succeed. DeVries thoroughly explores all major components of literacy, offering an overview of pertinent research, suggested methods and tools for diagnosis and assessment, intervention strategies and activities, and technology applications to increase students' skills. Substantively updated to reflect the needs of teachers in increasingly diverse classrooms, the Sixth Edition addresses scaffolding for English language learners and the importance of using technology and online resources. It presents appropriate instructional strategies and tailored teaching ideas to help both teachers and their students. The valuable appendices feature assessment tools, instructions, and visuals for creating and implementing the book's more than 150 instructional strategies and activities, plus other resources. New to the Sixth Edition: Up to date and in line with national, state, and district literacy standards, this edition covers the latest shifts in teaching and the evolution of these standards. New material on equity and inclusive literacy instruction, understanding the science of reading, using technology effectively, and reading and writing informational and narrative texts. New intervention strategies and activities are featured in all chapters and highlight a stronger technology component. Revamped companion website with additional tools, videos, resources, and examples of teachers using assessment strategies.

Developing Voice Through the Language Arts

Kathryn Henn-Reinke, GERALYN A. CHESNER, 2007 Let every voice be heard. Developing Voice Through the Language Arts shows prospective teachers how to use the language arts to connect diverse students to the world around them and help them develop their own literate voices. This book considers the integrated nature of the primary language arts: reading, writing, listening, speaking, viewing, and visually representing. Authors Kathryn Henn-Reinke and GERALYN A. CHESNER encourage preservice and inservice teachers to take a reflective, balanced approach in preparing to teach language arts.

Shadow Education in Asia: Policies and Practices

Alam, Md. Bayezid, 2024-08-15 Shadow education, the practice of private tutoring outside formal schooling, has become pervasive in Asia. Driven by intense exam competition and dissatisfaction with mainstream education, it plays a significant role in the region's educational landscape. However, its implications and regulatory frameworks still need to be studied and better understood. This book, Shadow Education in Asia: Policies and Practices, addresses this gap by comprehensively analyzing shadow education policies and practices in Asia. Despite its

prevalence shadow education's impact on students families and educational systems is complex and multifaceted The lack of comprehensive research and understanding has led to challenges regulating and integrating shadow education into formal educational systems Policymakers and educators struggle to address issues such as educational equity student well being and the quality of education provided through shadow education This book aims to inform policy discussions and reform efforts ultimately contributing to a more nuanced understanding of this phenomenon and its role in Asia's educational landscape
