Administratif Porte Gnrale Contrle Juridictionnel:

Le contrôle juridictionnel de l'administration Roger Bonnard, 1934 L'acte administratif à portée générale et son contrôle juridictionnel, 2015-08-18 Il est tonnant de mesurer combien ce constat dont la pureté de l'expression sous la plume de ce pré fondateur du droit administratif français montre qu'il relève de l'évidence a pendant longtemps été oublié Rares trop rares ont été et sont encore les thèses tudes et manuels de droit administratif qui sans peut-être même y consacrer des chapitres entiers tout le moins intègrent dans leurs analyses et leurs présentations des éléments de droit comparé La comparaison des systèmes et des droits est pourtant au cœur des dynamiques de formation et d'évolution du droit administratif contemporain aucune des solutions de principe dégagées dans les formations les plus solennelles du Conseil d'Etat aucune des lois qui intervient dans le champ du droit administratif ne se présente aujourd'hui sans un recours des tudes de droit comparé Et plus largement les voyages les changes les rencontres en un mot le dialogue permanent entre les juridictions les universités et les institutions en Europe et dans le monde qui oeuvrent dans le domaine du droit administratif font aujourd'hui de la comparaison une matrice qui irrigue ce droit de manière constante et profonde C'est au constat de ce décalage entre la pratique et la recherche qu'a été créée en décembre 2012 la section Droit de l'action publique de la Société de législation comparée Présidée par Bernard Stirn président de la section du contentieux du Conseil d'Etat elle rassemble des juristes de droit public d'horizons variés membres des juridictions administratives de l'Université et avocats qui ont entrepris ensemble de réaliser des tudes approfondies de droit comparé sur des thèmes qui présentent un intérêt la fois permanent et d'actualité Cet ouvrage constitue l'une des premières tudes qui ont été réalisées Il est constitué la fois de fiches pays qui permettent une appréhension concrète de la thématique laquelle il est consacré dans les systèmes juridiques retenus et d'une synthèse qui rassemble des éléments d'appréciation et esquisse des pistes de réflexion sur notre propre système juridique partir de la comparaison Puisse cette tude et les autres qui ont été et seront réalisées par cette section contribuer donner au droit comparé toute la place qui doit lui échoir dans l'étude du droit administratif français et plus largement dans la formation d'un authentique droit administratif européen et qui sait peut-être même global *Le Contrôle d'État sur le continent africain : contribution à une théorie des contrôles administratifs et financiers dans les pays en voie de développement* Jean-Marie Breton, 1977-12-31T23:00:00+01:00 Cet ouvrage est une édition numérique d'un livre paru au XXe siècle désormais indisponible dans son format d'origine **Les épurations administratives** Paul Gerbod, Claude Goyard, Pierre Guiral, Pierre Sandevor, 1977-11 *Le contrôle juridictionnel de l'administration au moyen du recours pour excès de pouvoir* Raphael Alibert, 1926 *Le contrôle juridictionnel de l'administration et la responsabilité des services publics en Belgique* Louis Wodon, 1920 Le contrôle juridictionnel des actes des autorités administratives indépendantes Martin Collet, 2003 L'étude du contrôle juridictionnel des actes des autorités administratives indépendantes permet de découvrir ces organismes sous un jour singulier alors qu'ils bénéficient d'un statut original la jurisprudence administrative comme judiciaire affiche une certaine

indifférence aux particularités tant organiques que fonctionnelles qui caractérisent ces organes de l'Etat en leur refusant l'aménagement d'un régime juridique spécial. Certes le contrôle de l'activité des autorités administratives indépendantes revêt bien certaines spécificités dans sa structure et dans les procédures d'emploi et en revanche d'autres sur la nature et le régime des actes qui lui sont soumis notamment. Mais ces spécificités restent assez marginales et en outre ne découlent pas du statut dont sont dotés ces autorités. Dès lors l'étude contentieuse fait douter de l'existence d'une catégorie juridique uniforme regroupant de tels organismes et les distinguant des autorités administratives en général. Au-delà elle conduit à interroger sur la manière dont le droit administratif parvient à s'adapter aux évolutions des structures et des missions de l'administration qui incarnent ces autorités indépendantes.

administratif 18e Nicolas Chiffot, Maxime Tourbe, 2023-06-29 Le présent ouvrage tel un guide se propose d'explorer l'univers administratif et de cerner partir de ses caractères majeurs les racines mêmes de son droit. Pour chaque grand thème un dossier divisé en deux parties fait le point sur les données de base. Ce qu'il faut savoir et fournit des matériaux indispensables une recherche personnelle. Pour approfondir. Cette 18e édition paraît alors que l'heure est au bilan des réformes intervenues depuis le début du xxième siècle et que d'autres réformes sont engagées. Ainsi elle rend compte des débats en cours ce qui en fait plus précisément un guide pour suivre et comprendre l'actualité. *Le droit administratif en schémas* Jean Fougerouse, 2025-07-22 L'objectif de la collection Le droit en schémas est de proposer des ouvrages facilitant la compréhension et la mémorisation des questions juridiques. Chaque question est ainsi envisagée selon deux approches juxtaposées le cours traditionnel en page de gauche des schémas explicatifs en page de droite. Très didactique ces manuels ont tenu compte à partir de trois choix méthodologiques la mise en avant des distinctions fondamentales la reprise des mêmes problèmes sous des angles différents un effort de mise en perspective afin de faciliter la réflexion et la compréhension des continuités et des ruptures. Cet ouvrage est destiné aux étudiants de Licence 2 droit aux étudiants d'IEP aux candidats aux concours administratifs.
