Admiral Zheng He:

Admiral Zheng He and Southeast Asia Leo Suryadinata, 2005 Admiral Zheng He and Southeast Asia commemorates the 600th anniversary of Admiral Zheng He's maiden voyage to Southeast Asia and beyond. The book is jointly issued by the Institute of Southeast Asian Studies Singapore and the International Zheng He Society. To reflect Asian views on the subject matter, nine articles written by Asian scholars Chung Chee Kit, Hsu Yun Tsiao, Leo Suryadinata, Tan Ta Sen, Tan Yeok Seong, Wang Gungwu, and Johannes Widodo have been reproduced in this volume. Originally published from 1964 to 2005, the articles are grouped into three clusters. The first cluster of three articles examines the relationship of the Ming court, especially during the Zheng He expeditions with Southeast Asia in general and the Malacca empire in particular. The next cluster looks at the socio-cultural impact of the Zheng He expeditions on some Southeast Asian countries, with special reference to the role played by Zheng He in the Islamization of Indonesia, Java, and the urban architecture of the region. The last three articles deal with the route of the Zheng He expeditions and the location of the places that were visited. **Zheng He's Art of Collaboration** Hum Sin Hoon, 2012. Know your enemies, know yourself, advised Sun Zi in his famous Art of War. In contrast, the legendary Admiral Zheng He would have said, Know your collaborators, know yourself, and this would be the essence of his Art of Collaboration. This book offers a fresh new approach to doing business and providing leadership in the twenty-first century, where Zheng He's peaceful and win-win collaborative paradigm present in his AoC provides an alternative to the aggressive and antagonistic mindset inherent in Sun Zi's AoW. The author has culled from the existing literature on the historical, cultural, diplomatic, and maritime-oriented Zheng He, connected the dots of his discovery of a managerial Zheng He, and wrote this book to present both the big message of Zheng He's Art of Collaboration as well as an understanding of Zheng He's specific work as a leader and manager. **Zheng He** Andrew Vietze, 2017-07-15. In 1405, the Chinese emperor sent the world's largest fleet of ships to explore the Western Oceans. Zheng He was at the helm of the expedition, a man who rose from poverty to captain China's famous Treasure Fleet on an adventure covering more than thirty-five thousand miles. Little known in the West, Zheng He was one of history's most important explorers. This guide will take readers on a journey from Nanjing all the way to Africa and the Middle East as Zheng He brings Chinese technology to remote ports of call and changes the face of the world in the process. *Chinese Diaspora Since Admiral Zheng He* Leo Suryadinata, 2007. **Adventures of the Treasure Fleet** Ann Martin Bowler, 2013-01-15.
