The Joy of Self-Publishing Mike Buchanan, 2013-02 Self publishing can be more rewarding than being published creatively financially and in other respects if you go about it the right way You could well be confused as many self publishers are by the multiplicity of options available to you The good news is that you can now make your books visible and available to book buyers around the world at minimal cost An ebook PDF edition of this book was made available worldwide at no cost an edition for the Kindle iPad Nook Sony eReader and other e readers made available for GBP95 00 a paperback edition made available worldwide for GBP42 00 As a self publisher what are your options for new books Should you choose an offset lithography print run a digital print run or maybe print on demand POD Hardback or paperback or other formats Possibly an ebook too And crucially how will you get your books distributed cost effectively to buyers around the world This book will take you through the options and explain their relative advantages and disadvantages It provides guidance on selecting book topics with strong sales potential writing distinctively obtaining a professional critique of your work writing content rich non fiction writing in a number of genres choosing between hardback and paperback and other formats choosing the optimal printing method book content formatting book specifications colour plate section options distribution print on demand POD order fulfilment dealing with Amazon Lightning Source Nielsen and Bowker printers copy editors and proofreaders typesetters cover designers photographers pricing and marketing your books and a whole lot more besides The book includes a sample chapter from the author s international bestseller *Two Men in a Car* a businessman a chauffeur and their holidays in France along with the plate section from the book *Mike Buchanan* a British writer and former business consultant is the author of eight books since 2008

He's been published internationally by a leading publisher in English and Chinese editions and he's self-published. He much prefers self-publishing for a variety of reasons. In January 2010 at the age of 52 he took early retirement and now writes and self-publishes full time. He developed the model of commercial self-publishing outlined in this book. The model has been designed to help self-publishers enjoy their writing more, increase their output of strong titles and maximise their profits.
