Serving Up Some Funny is one page after another of tasteful adult jokes collected over the past eight years by a veteran waitress in a family owned and operated diner style restaurant. Your audience will be rolling down the aisles and howling with laughter as you serve them up another order of purely funny jokes, extra spicy of course. Author Bio: Lisa DeMarco grew up in a family reputed to be the chattiest people from New Jersey all the way down to the eastern coast of Florida. Her love of storytelling takes a break when she is busy working on her next collection of jokes and humorous writings. A waitress for over twenty years, Lisa can be found in her pink high tops dishing some good eats and funny jokes at Haystax Restaurant. Psychoanalysis and Toileting Paul Marcus, 2023-02-27. Psychoanalysis and Toileting is an accessible book that delineates and interprets the psychological meanings of defecating and urinating in everyday life. Paul Marcus' work gives the clinician an in depth view of an activity that every patient and practitioner engage in and shows how not dealing with toileting in its wide range of social

and practical contexts leaves out a huge aspect of the patient's everyday experience. Drawing from psychoanalytic theory and practice, the author discusses such subjects as constipation, diarrhea, and irritable bowel syndrome, adult female incontinence, toilet cursing, public toilet graffiti, and toilet humor. The book also considers the personal meaning of urinating and defecating as seen in men suffering from an enlarged prostate, in excremental assault in the Nazi concentration camps, and in dreaming. Marcus considers not only what is typically negative about these experiences but what can be seen as positive in terms of growth and development for the ordinary person. The book is illustrated throughout with clinical vignettes and observations taken from the author's private practice. *Psychoanalysis and Toileting* will be a key text for psychoanalysts and psychoanalytic psychotherapists in practice and in training. It will also be relevant to other mental health practitioners. **New York**

Flipping Patriarchy Man Who Has It All, 2025-03-13. I love this book. Fern Britton laughs out loud, funny. Kate Bottley: an explosive satire of gender stereotypes that flips patriarchy on its head to highlight sexist double standards. Exploring subjects like work and comedy, history and sport, the beauty industry and domesticity. Anonymous author. Man Who Has It All imagines a world in which men are bombarded with the same stereotypical bullshit as women. What if men's T-shirts were emblazoned with slogans encouraging them to be smiley, positive, and kind? What if we laughed at jokes about fathers-in-law, male drivers, and middle-class men of a certain age? What if men's history was a niche topic? Behind the jokes about crazy cat gentlemen, testicular men, and the twenty-four-hour moustache lies a deeper, darker message about language, power, and control. Smart and provocative, Man Who Has It All shines a powerful

light on the prejudice ingrained in our society Told through fictionalised scenarios and wider cultural analysis this is a feminist handbook that will arm you against the patriarchy Funny and insightful but also fiercely radical Victoria Smith Takes on patriarchy with wit verve and a mighty dose of good old British sarcasm Viv Groskop author of How to Own the Room We need to hide copies in every locker room Wetherspoons and B Q Eleanor Morton comedian and actor Man Who Has It All does a remarkable job of channelling anger into humour a galvanising read Rachel Hewitt author of In Her Nature
