De Graaff,2025-06-20 Scripture's compelling message of love and justice is powerfully relevant for today The implications of the Amsterdam way of interpreting Scripture are evident throughout the book It is both a personal and timely way of speaking to our disintegrating society The Prophetic Call to Love and Justice provides a meaningful and radical yet simple way of re-connecting with the Bible As one of the founders of the Amsterdam way of interpretation Karel Deurloo stated The opportunity to learn anew and understand the language of the Bible has been taken away Often the focus is on the assumed origin and history of a text a historical literary approach or a fundamentalist view creating a fragmented moralistic and doctrinaire emphasis which has alienated many from churches Instead Deurloo and others focused on the prophetic meaning that speaks to all of us as the living word of God today This alternative is rooted in the Hebrew Scriptures Its abiding prophetic message of love and justice is reiterated in the Gospels and apostolic letters Hence the choice of subtitle Rediscovering the Old Testament It is a joyful journey of discovery finding new meaning in the Bible for our lives **Macmillan's Magazine** ,1864 **Tales from the Cult Film Trenches** Louis Paul,2007-09-20 From movie villains to scream queens here are interviews with 36 actors and actresses familiar to fans of sixties and seventies cult cinema Interviewees include the well known David Carradine Christopher Lee the relatively obscure Marrie Lee sex symbols Valerie Leon surfers who became movie stars Don Stroud and action heroes Fred Williamson among many others Each interview is accompanied by a biography and filmography *Harper's New Monthly Magazine* Henry Mills Alden,1867 Harper's informs a diverse body of readers of cultural business political literary and scientific affairs **Austen's Novels ...** Jane Austen,1879 *Then They Started Shooting* Lynne Jones,2013-09-23 Remarkable insight and sensitivity deepen's our understanding of human resilience and how people rebuild their lives from tragic circumstances KENNETH ROTH Executive Director Human Rights Watch The stories in this book are eloquently and poignantly recounted and offer a vital complex portrait of what the long road to peace looks like DINAW MENGESTU author of The Beautiful Things That Heaven Bears and How to Read the Air Profound Rarely do we get the opportunity to delve into the thoughts of the young caught up in such a tragedy and meet them not just once in their lives but again years later TIM JUDAH Europe correspondent for Bloomberg World View Balkans correspondent for The Economist and author of The Serbs History Myth
