Running with the Angels is the story of a mother's sudden loss of her son a loss that shattered her to the core of her being Writing a book did not enter her mind as she worked through her intense grief However words seemed to write themselves as the author studied journaled jotted notes on scrap paper recorded her thoughts and feelings wiped the tears off her face and documents kept writing in a confused mixture of English French and occasional swear words Persisting through the mess paragraphs appeared some chapters lined up a book took shape as the mother's grief became reconciled and integrated over the years Now it has evolved into a completed memoir May this book serve as a survival guide and a source of hope for all bereaved mothers and fathers *Damnation Organization* Jenkins Hightower, 2023-11-10 The oldest and most dangerous organization in the world is rearing its head in the city of Chicago It's been in existence since the dawn of man and now secretly serving as members are some of the most prominent people in the city who have sold their souls for worldly goods

Unnatural occurrences of killings and deaths are a result and what is dubbed the M O T B Mark of the Beast murders prompt homicide detective Lt Christian to seek help from his priest and psychiatrist friend Dr Kailin who has extensive knowledge in the matter and has written a book on the obscure organization invoking these activities The two pair up to investigate and track the organization's roots in hell discovering a deeper plot to seize and imprison Good Souls in an attempt to convert them into damned ones In the struggle to deliver the city of Chicago out of this perilous bondage others destined to unite with Lt Christian and Dr Kailin help infiltrate the organization and a new war against evil is waged Vision Quest Peter James Ford, 2023-12-13 VISION QUEST is a book recording the continual soul expansion of the seeker Peter James Ford

Peter's journey began after a powerful spiritual experience in the little historic seaport in Newburyport Massachusetts. In Peter's late night meditations which were along the Merrimac River the boardwalk the Salisbury Reservation on the Atlantic Ocean Plum Island Maudsley Estate State Park Pow Wow Hill Native American Burial Grounds and Old Hill Burial Grounds he was having vivid explosions in his mind of seemingly past life experiences and powerful insights Peter began seeing the hidden secrets of this quaint little seaport that people never take the time to see. Peter's intuition and senses increased in an almost scary powerful way giving Peter wisdom from unseen sources. The source may be the Akashic Records Library that is not a physical library but a place in the ethers that contains all the wisdom and knowledge ever known to anyone over the eons. We can access this power through ancient spiritual practices and apparently Peter has done just that. Stories and Tales began flowing from Peter and he wrote his first book. In the last three years Peter has written eight more books and shares everything he has found from his journeys to the inner worlds. Peter wrote a seven book series under the title MYSTICISM IN NEWBURYPORT with an eighth bonus companion book called MYSTIC. Now you are holding his new writings in your hands. Peter laughingly calls himself An Unlikely Messenger as his younger years were nothing resembling anything spiritual. So here is the story of just another seeker realizing his divinity and returning to his own heart.

After Heaven Robert Wuthnow, 1998. The evolution of American spirituality over the past 50 years is the subject of After Heaven. Robert Wuthnow's findings are a telling reflection of the changes in beliefs and lifestyles that have occurred throughout the United States in recent decades.

Ice Angels Charles Edward Harris, 2007-09-01. A fantasy adventure for children of every age. Toby is a boy who dreams of becoming a graceful and stylish ice skater but he is held back by a physical disability. He is progressing well until he is cruelly struck down by a drunk driver days before Christmas. Only a miracle can change Toby's future. Unexpected help arrives from the Ice Kingdom, a parallel world that is home to the Ice Angels. Anything is possible if you truly believe in the power of your dreams.

Mercenary Angels John M. Evans, 2009-05. Colonel Mathew Stone and his seven man Special Forces team were the best in the world. But times had changed and they were slated for early retirement by Uncle Sam. Matt figured they would collect their retirement checks and probably become high paid security guards. But in a bizarre twist an angel from Heaven appears to Stone and his men pleading for their help to save an alien planet from evil demons. It's part of a galaxy wide struggle between good and evil for the souls of millions of humans. The angels are spread too thin and need assistance on the backwards planet of Rytan. Under Heaven's new plan the coming war on Rytan would have to be contracted out. Wary about the whole situation but bored with their new lives Stone and his men take the job. Unfortunately the only allies they find are medieval pacifists trained to flee from the enemy, a fact the angel conveniently left out. Now all the earthlings have to do is cross an unknown world, turn a continent full of medieval pacifists into an army and learn the Ways of Power from a Wizard Priest so they aren't incinerated by demons. Easy right? Wrong.
