Uncle Martin's Family Joyce Konzem Pertl,2012-11-15 Uncle Martin was a man with a vivid memory and the God given gift of storytelling and rhyme He spent the first 40 years of his life with his parents caring for them while they were earth bound During those years he absorbed facts about his ancestors and enjoyed passing those stories on when opportunity arose His stories are gathered together in this manuscript for his posterity and others to enjoy The time spans four generations and from the Civil War to World War II There are stories about scoundrels and about heroes A greater portion covers the years of the Great Depression in the state of Kansas when he was growing up with his brothers and sisters Many of the included stories are about everyday living at a time when everyone was struggling to make it to the next day He testifies there were no crops no jobs and no money No matter what generation you are a part of you are sure to enjoy a true testimony of that time period as well as his personal view of family members and their antics As with all families there were some he liked and approved of and others he viewed with skepticism and a little distaste Uncle Martin passed away at the age of 89 before his stories could be published but he looked forward to that accomplishment His family is very grateful to him for his effort as he was our last link to past family history **Popular Mechanics** ,1954-11 Popular Mechanics inspires instructs and influences readers to help them master the modern world Whether it s practical DIY home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science PM is the ultimate guide to our high tech lifestyle Lit'l Bit's Classroom Jo Ann Farber,2000-07-24 A plethora of children s wit and wisdom as told through their daily lives with a childcare teacher All are conversations she heard during her eleven years of working in preschool center T he insight and humor of the children is revealed quite cleverly The author s love for children comes through strongly as you read the collection This is a one of a kind work very unique and sometimes hilarious Also contains many craft ideas and helpful hints for preschool teachers and or parents Working with children is the most rewarding thing I have ever done These years have been a very educational experience If I planted one seed along the way I feel I have done my part The title Lit l Bit was a nickname from years ago One day I couldn t reach something on a shelf and I said I m not big enough My husband replied Oh you re such a little bit and the name stuck The Meadow Cries JB FAW,2014-04-11 The beautiful mountaintop was the ideal life for a teen age boy to live In the year 1941 Brigom Jones was exploring the wild life on the mountain that he loved and grew near to as he watched the animals roam from hilltop to hilltop He would run with the animals and feel alive One day he life took a sad turn when his father came home from teaching school and told Brigoms mother that he was leaving them to make a new home for himself Brigom took over the head of the household and found odd jobs to get money to buy his crippled mothers medicine He learned to work at a sawmill with adult men in the deep dark woods He learned how to

find wild greens and to kill the animals that he loved so much This was a way of life to survive He found out the hard way his life had changed forever Many hardships make him grow up in a hurry in his tender years Uncle Andrew sent little money and gifts to help Brigom and his mother Ruth The most valued gift was a watch Brigom received for Christmas little did he know this would bring heartache when Larry a boy that lived on the mountain wanted to buy the watch and would not take no for an answer Brigom became so frightened of Larry trying to take the watch off his arm or threatening to beat him up Brigom began to walk over the mountain to the valley below and there he made friends with a family that helped him and his mother survive the winter months Mr Keyes tells him about a cave that he wanted to explore This was something he could do and not worry about Larry haunting him The mountain that Brigom loved so much had become a haunting ground Every where he went he imagined seeing Larry laughing and making fun of him Each day he became more afraid of his life Something was telling him he may have to move off the mountain or his life may be no more Fear was over taking him he even had thoughts of death
