Athenaeum and Literary Chronicle ,1882 My Daughter Left the Nest and Returned an S-Rank Adventurer: Volume 8 MOJIKAKIYA, 2023-05-11 After a long and perilous journey to the Earth Navel Belgrieve finally succeeds in locating the second of his missing comrades The dangers of the road are a fresh reminder of Belgrieve s limitations and he begins to

doubt his ability to continue his quest But with the support of his daughter and friends he finally manages to reconcile with his old party member Percival Resolved to see things through to the end they continue their journey to find the elf Satie the last member of Belgrieve s old party But Angeline faces her own test of character as she grapples with the knowledge that there s a side to her father that she never could have known and Belgrieve is at a loss to address her heartache Perhaps the time has come for their journey together to end and for her to find her own path Their troubles are put on the backburner when they reach the imperial capital amidst rumors of an elf s revolt against the nation Could Satie be involved A Question of Trust Angeline Fortin,2011-11-14 He planned to get rich the old fashioned way By marrying into it When Jack Merrill becomes Earl of Haddington inheriting not only a title but the devastating debt that came with it his friends convince him that the quickest solution is a wealthy bride When he stumbles upon Kitty Hayes he s certain he s found the perfect wife She s full of a fire and spirit that challenges him She s also a wealthy heiress But Kitty is a married woman Can he wait it out until she finds her freedom After years in an abusive marriage Kitty Hayes flees Boston hoping to find protection and anonymity with her sister Eve MacKintosh now Countess of Glenrothes in Scotland while she petitions for a divorce from the man who has made her life a living hell Mistaken for her sister she encounters Jack Merrill who seeks friendship he claims but Kitty knows what he is hoping for To her surprise he s not at all what she expected but rather a caring and affectionate man But Kitty knows a scoundrel man like Jack will never realize the man he could be the loving husband she d always hoped for and the father her daughter needs A man she can trust That doesn t mean she can t want something more from him so Kitty negotiates a deal with Jack The money he needs to save his earldom if he becomes her lover in return It s a bargain that gives Jack everything he needs but he soon discovers that it doesn t give what he truly wants When Kitty s life is threatened by her former husband will he realize the truth before it s too late or will Jack just stand aside and let Kitty walk out of his life forever **A Question of Love** Angeline Fortin,2011-11-06 She lost her first chance at love After spending six years to an oppressive husband Evelyn Ashley Cooper is free to be herself again to live again and to love again If only she remembered how Eve finds herself floundering under the veneer of perfection her domineering husband demanded unable to unleash the vivacious girl she was once was from the confines of her prim exterior Since meeting Eve many years before Francis MacKintosh has become a man embittered by life by a wife who has made him a cuckold to the whole of Scotland and by a scandalous divorce He never thought that he would find Eve his Eden once again or that he would dare push aside his disdain of the fairer sex to trust and love once more But for Eve for the love and happiness he is suddenly certain they can find in each other he finds himself willing to take a chance If only he might convince his true love to do the same They found a second chance together Love and desire tempt Eve to shed her old self and begin anew but she s torn between the yearning to be with Francis and a determination never to put herself under the thumb of another man Francis seduction and ability to blend her proper side with the spirited Eve of years past lures the countess back to him but just when happiness seems but a

step away their mutual pasts will come crashing down around them attempting to tear them apart Eve and Francis will have to risk their lives for a second chance and a future together The question remains will their rediscovered love be enough to conquer all

The Perfect Question Angeline Fortin,1901 They both had their demons in their pasts Captain Richard MacKintosh returned from Egypt wounded not only in body but also in spirit after making a daring getaway from the rebel band that held him and his military unit captive for months Plagued by guilt for leaving his brothers at arms behind he is determined to force the crown to garner their forces to search all of Egypt if necessary for them He wanted no needed to spend each waking moment finding the help he needed and nothing was going to make him lose focus on that goal That was until he ran into an angelic face from his past Scarred from a tragic accident under the scornful eyes and words of the ton Abby Merrill has become a shadow of the impetuous she once was However when she sees nothing more than caring and affection in Richard s eyes the hopes and fantasies she d thought long buried are rekindled She would do anything for the man she has long loved and knows that if she is to have any chance of a future with him she must first help free him from the past As he has freed her from hers Together they learned to live again In Abby s arms Richard finds a welcome haven against the storm of guilt and disappointment But he can t let go of the past and embrace the future until he s freed his brothers from their imprisonment But once he is free to love Abby will there be a future left for them to share

A Question of Lust Angeline Fortin,2011-11-14 Vin MacKintosh was alive After five years of mourning her lost love Moira MacKenzie had finally move on with her life and seek a husband Finding out Vincent MacKintosh was alive after all those years dealt her the greatest shock of her life She should have been thrilled to have the man she d loved her entire life back but after so long she d forgotten one important detail She might have loved Vin but he had never loved her back Vin is a man tormented by the past and with little hope that her dreams of true love will be fulfilled Moira instead offers him the friendship he so desperately needs as he integrates himself back into a normal life He thought he d never truly live again After years as a prisoner of war Vin MacKintosh returns with a scarred and battered soul Beset by guilt and nightmares from his years of torture and torment he must readapt to a world where everyone he knew is a different person and the world a vastly different place While everyone else seems to constantly compare him to the man he was he cannot help but turn to the one person who gives him encouragement and motivation to move on As his best friend Jason MacKenzie s younger sister Vin has known Moira her entire life her letters during the war provided him comfort and understanding True friendship Now that he is back he needs those things more than ever However Vin finds he cannot continue to look at Moira merely as a friend and little sister any longer He cannot help but see her as a woman and one too desirable to resist Moira makes him feel alive again but he knows it cannot last While lust can do nothing but ruin the friendship he desperately needs Vin knows that the truth about her brother s death would destroy Moira s affectionate for him forever Plagued by his guilt he pushes her away when he needs her most What will he do when he realizes that what he feels is more than merely a question of lust
