Conway, 2014-07-10 This book explores the development of the influential worldwide Hizmet movement inspired by the Turkish scholar Fethullah G len known for his moderate Islamic emphasis on peaceful relations among diverse people It provides a detailed study of G len's account of the virtues and argues that they provide the key to understanding this thinker and the movement he inspired from its initial establishment of hospitality houses through the growth of worldwide schools hospitals media outlets charitable associations and dialogue centers The book analyzes the distinctive virtues that shaped the Hizmet movement's ethos as well as continue to sustain its expansive energy from the core virtues of tolerance hospitality compassion and charity to a host of related virtues including wisdom humility mildness patience mercy integrity and hope It also examines the Islamic and Sufi roots of G len's understanding of the virtues as well as presents a comparative study of G len's account of the virtues in dialogue with prominent thinkers of the Western philosophical tradition and the religious traditions of Christianity Judaism and Buddhism The Hizmet movement provides living witness to the power and efficacy of tolerance dialogue and peaceful relations among diverse people This book offers an insightful portrait of the core virtues of this movement and the scholar who fully explored them within his writing It will appeal to readers interested in virtue ethics character education cross cultural studies interfaith dialogue and the role of moderate Islam today The Power of Acceptance Annemarie Postma, 2013-11-07 What if starting today we stopped thinking in terms of lack and imperfection What if we stopped trying to change reality with the power of our thoughts and intention What if we no longer thought that everything needs to be fixed healed or improved In her new book Postma author of *The Deeper Secret* and *The Secret Within* explores the mental and emotional blocks that keep us from true joy She writes Rarely has anything in my life gone the way I had hoped expected or thought There have been some heavy blows However in hindsight I can see that everything turned out just as it should have Calling upon many wisdom traditions and her own hard won insights Postma traces a gentle path that will lead to the renewal of your mind and spirit She writes To embrace reality is an act of total renewal When we dare to see things as they truly are it immediately brings us a feeling of liberation strength and healing Therefore it is no coincidence that Buddhists describe experiencing God as being completely present in reality To surrender means to let go of the control you think you have in your life It means releasing your preconceived thoughts and notions about how you think your life should be It is all about no longer forcing

your personal will on reality In fact to surrender is a celebration of real freedom *Holy Eros* James D. Whitehead, Evelyn Eaton Whitehead, 2009 Eros is the passionate energy that makes us one with the beautiful other with a leper with the world of nature waiting to be embraced and cared for with our neighbor the stranger with God The Whiteheads explore this vital energy of love as the gift of a Creator madly in love with his creation a God who would bring us to life in abundance if we only say Yes They discuss Eros in the movements of our sexuality as well as in our arousals of compassion and care They examine the Eros of pleasure and of generosity They honor the Eros of hope of anger of suffering They reveal that Eros has a Source far deeper than lust and is a pathway to a passionate God Holy Eros recovers this fundamental energy of love as a powerful resource in the revitalization of Christian spirituality Unlike most books on the topic it eschews easy clichés Its reader benefit is to understand and appreciate an energy that can heal as well as hinder and to tap into its positive force
