Author and Title Index , 1975 Anna Zieglerin and the Lion's Blood Tara Nummedal, 2019-02-14 In 1573 the alchemist Anna Zieglerin gave her patron the Duke of

Braunschweig Wolfenbüttel the recipe for an extraordinary substance she called the lion's blood. She claimed that this golden oil could stimulate the growth of plants, create gemstones, transform lead into the coveted philosopher's stone, and would serve a critical role in preparing for the Last Days. Boldly envisioning herself as a Protestant Virgin Mary, Anna proposed that the lion's blood paired with her own body could even generate life, repopulating and redeeming the corrupt world in its final moments. In *Anna Zieglerin and the Lion's Blood*, Tara Nummedal reconstructs the extraordinary career and historical afterlife of alchemist, courtier, and prophet Anna Zieglerin. She situates Anna's story within the wider frameworks of Reformation Germany's religious, political, and military battles, the rising influence of alchemy, the role of apocalyptic eschatology, and the position of women within these contexts. Together with her husband, the jester Heinrich Schombach, and their companion and fellow alchemist Philipp Sommering, Anna promised her patrons at the court of Wolfenbüttel spiritual salvation and material profit. But her compelling vision brought with it another, darker possibility: rather than granting her patrons wealth or redemption, Anna's alchemical gifts might instead lead to war, disgrace, and destruction. By 1575, three years after Anna's arrival at court, her enemies had succeeded in turning her from holy alchemist into poisoner and sorceress, culminating in Anna's arrest, torture, and public execution. In her own life, Anna was a master of self-fashioning; in the centuries since her death, her story has been continually refashioned, making her a fitting emblem for each new age. Interweaving the history of science, gender, religion, and politics, Nummedal recounts how one resourceful woman's alchemical schemes touched some of the most consequential matters in Reformation Germany.

Habeas Corpus Rebecca Zanetti, 2024-03-12

Aiming for Love: Landing in Mayhem While Valentine's Day is supposed to be full of romance and flying hearts, this year Anna finds herself defending a misplaced Cupid, dodging a gang of thieving arrowshooters, and assisting Nick Basanelli, her stubborn potential brother-in-law, with a bogus murder charge. Meanwhile, she's trying to find her sexy boyfriend the perfect gift when all he wants is for her to show up to Valentine's dinner without danger on her heels. Speaking of danger, Aiden Devlin is a little too secretive about his newest investigation, and something is hanging heavy over his head, but the stubborn Irishman refuses to share. Anna begins to fear that the bogus murder charge might not be so bogus, and Nick truly could be in trouble. Unfortunately for Aiden, the Albertini family is full of self-proclaimed sleuths, and they're more than eager to crack the case before he can reach his own conclusions. During the season of love, Anna is forced to juggle her meddling family, solve the puzzle of the chaotic Cupids, save her potential brother-in-law, and arrive at Valentine's Day dinner in one piece. Hey, miracles can happen.

Gospel Women Richard Bauckham, 2002-07-01 There have been many studies of women in the Gospels but this is a new kind of book on the subject Rather than offering a general overview or focusing on a single theme Richard Bauckham examines the individual women who appear in the Gospels and the specific passages in which they appear This unique approach reveals much more about these characters than previous studies have assumed Employing historical and literary readings of the biblical texts Bauckham successfully captures the particularity of each woman he studies An opening look at the Old Testament Book of Ruth introduces the possibilities of reading Scripture from a woman s perspective Other studies examine the women found in Matthew s and Luke s genealogies the prophet Anna Mary of Clopas Joanna Salome and the women featured in the Gospel resurrection narrative Bauckham s work is not dominated by a feminist agenda and does not presume in advance that the Gospel texts support patriarchal oppression He does however venture some of the new and surprising possibilities that arise when the texts are read from the perspective of their women characters
