Another Christ Re Envisioning Ministry:

Another Christ Andrew D. Mayes, 2024-08-30 This is a riveting book with bite an exploration with edginess Compelling and arresting images confront us with a fresh view of Jesus and of ourselves as we rediscover our vocation to be Another Christ for troubled times Recent research into the first century setting of the gospel and the author's years in the Holy Land cast unexpected light on both the identity of Jesus and our present calling while Francis of Assisi reveals how this can be creatively lived out We have a choice If we keep before our eyes images of Christ that are comforting soothing familiar traditional then our Christian life may turn out to be prosaic pedestrian and predictable a preservative to maintain the status quo But if we allow our discipleship today to be unsettled and inspired by images of Christ that are dynamic risky outrageous brave passionate radical then we open ourselves to new possibilities we embark on a liberating adventure an odyssey of the soul a pilgrimage a voyage into untested waters What will we choose Do we dare to take the unpredictable path And which route will respond most courageously to the needs of today's wounded world

Re-Imagining the Church Robert J. Suderman,2016-09-30 The church What has it become What was it meant to be Does it pave the way or get in the way Are we suspicious of the institutionalization of church bureaucracy

Or thrilled with the relevant impact of its presence Robert J Suderman writes about the church as a practitioner His inspiration emerges out of the crossroads of biblical vision and human sincerity always tempered with frailty Years of ministry never a stranger to complexity only serve to sharpen the vision of possibility His imagination of what can be is never divorced from the realities of what is He does not bow to the common assumption that you can't get there from here Here is the only possible point of origin for us In his succinct easy to understand writing style Suderman provides insightful and thought provoking perspectives to what it means to be the church To be a people called out to participate together in God's activity in the world and to create programs and structures needed for effective ministry are two sides of the same coin This book is for dreamers and bureaucrats alike indeed it assumes that the two are indispensable pieces of God's coming presence

Introduction by Tom Yoder Neufeld Shaped for Service Paul Goodliff, 2017-02-17 In the English speaking Western world alone thousands of men and women begin formal training for Christian ministry each year or informally seek to equip themselves for pastoral ministry Over the past fifty years the ancient world of virtue ethics has been reimagined as a means of forming people of character and morality today and in this book it is used as the framework to understand what we are doing as we form Christian ministers now and how we might strengthen that formation by more consciously linking the practices of ministry with the person spirituality and wisdom of the practitioner Writing out of the context of a lifetime of pastoral ministry and the oversight of ministers in the Baptist Union of Great Britain Paul Goodliff explores what pastors do and who they are called to be using a mixture of theological and pastoral inquiry reflections upon art and personal story This book will be of interest to those who are charged with forming the next generation of ministers but anyone starting out on that journey of formation for ministry will also find this vision of ministry challenging and inspiring **The Man of Heaven and the Beautiful Ones of God** Elizabeth Gunner, 2021-11-08 The role of Africans in the growth and process of Christianity in South Africa in the late nineteenth and early twentieth century In particular the book provides an insight into the role of writing and literacy in the church founded by the South African prophet Isaiah Shembe in 1910 The book provides a substantial contextualising introduction which includes discussion of the church's history and its position in contemporary South Africa and weaves in discussion of the topics of literacy and modernity The book then moves to the three documents presented in their language of composition Zulu and in an English translation The three books each from Shembe's Nazareth Baptist Church provide the reader with a fascinating insight into the growth and organisation of one of southern Africa's most influential African Churches and into the use and interpretation of the Bible by the church's founder Isaiah Shembe and by church members Central to the writings is the complex presence of Shembe present both through his own words in the first book and in the second book through the memory of Meshack Hadebe a member of the church in the 1920's and 1930's The extracts in the third book provide a glimpse of the church's hymnal and the unique religious poetry of the hymns authored by Shembe *Re-imagining Preaching and Leading Worship* Robert Little, 2024-03-15 If you've ever wondered how

you could be more effective at engaging audiences conveying what you have to say and thereby motivating them to change their attitudes and behaviour you're not alone Robert Little has often wondered the same thing but about himself not you He's spent many years speaking in the world of business advising other people on how to speak listening to and watching others speak in a variety of contexts as well as being a preacher He's also been a singer performing as a soloist in concerts and operas around the UK Cajoled into writing this book outlining many of the tips and techniques you'll need to be an effective public speaker Robert has captured relevant thoughts and observations from many people These include practical pragmatic preachers assiduous academics along with popular presenters and personable performers from the worlds of business the arts and even sport He's contributed several of his own tried and tested techniques too Robert believes Christian communicators tend to miss out on some of this book's tips and techniques which have been garnered from today's business world These tips and techniques focus on how to engage and keep an audience's attention and motivate that audience to put into practice what they hear and see So this book is worth at least a cursory glance from those who want their preaching ministry or any other type of public speaking to be effective as well as perhaps to be memorable popular and successful If you're a Baptist part of the Baptist church leadership or just want to improve your biblical preaching and public speaking this book can help you to prepare for worship leading Discover the responsibilities of a worship leader references to leading worship Scripture and much more

Re-Imagining Short-Term Missions Forrest Inslee, Angel Burns, 2022-03-10 This book is for those who suspect that current practices of short term missions are in need of serious reform It is a book for those who recognize that in this decade of global upheaval and in light of the cultural political and demographic shifts affecting churches everywhere now is the time for change The essays here are intended to equip and inspire any who want to advocate for change but may not yet know what change looks like This book offers honest perspectives from people who care about the purposes of short term missions STM yet know that we must figure out better ways of achieving them Nearly all contributors are actively engaged in STM and many write from the perspective of those who host STM teams in places all over the world This book is a platform for visionaries who are calling for better ways for the church to engage the needs of the world In sharing their experiences they hope to promote critical rethinking and creative reimagination about the ways that the global church might learn to collaborate on a new basis of coequality and mutual respect for the good of the world and the glory of God

Scripture Re-envisioned: Christophanic Exegesis and the Making of a Christian Bible Bogdan Gabriel Bucur, 2018-11-05 Scripture Re-envisioned discusses the christological exegesis of biblical theophanies and argues its crucial importance for the appropriation of the Hebrew Bible as the Christian Old Testament The Emmaus episode in Luke 24 and its history of interpretation serve as the methodological and hermeneutical prolegomenon to the early Christian exegesis of theophanies Subsequent chapters discuss the reception history of Genesis 18 Exodus 3 and 33 Psalm 98 99 and 131 132 Isaiah 6 Habakkuk 3 2 LXX Daniel 3 and 7 Bucur shows that the earliest most widespread and enduring reading of these

biblical texts namely their interpretation as christophanies manifestations of the Logos to be incarnate constitutes a robust and versatile exegetical tradition which lent itself to doctrinal reflection apologetics polemics liturgical anamnesis and doxology
