Asteroid Answers to Ancient Calendar Mysteries Herbert B. Stollorz, 2008-07-03 Ancient calendars found around the world are designed to end one point in time They communicate an urgent warning to everyone alive today Complex bronze and gold clocks with multiple dials are found in museums around the world Why they have such advanced intricacy has stumped scientists for hundreds of years This book reveals why the ancients built so many pyramids observatories as well as those complex gold and bronze clocks with more than one dial It surprised me greatly to discover that their various complex designs in one way or another converge on 21 December 2012 It amazes me that ancient cultures separated by thousands of miles of geography and thousands of years in chronology agree so precisely in the cyclical nature of time history and prophecy which is history written in advance The most famous example is the Mayan Aztec calendar which ends its 25 626 year cycle on that momentous date Some researchers have also found 21 December 2012 in what is called the Bible Code Using very different research methods I discovered it in the Bible's book of Revelation and Daniel's prophecies It is one of the most important dates in the plan of God for all humanity

Eras Way Answers , *Cosmic Astrology: The Book of Answers* Athena Keen, 2014-10-22 Cosmic Astrology The Book of Answers is a modern interpretation of the myth and mathematics behind the zodiac Discover tales of ancient esoterica in harmony with great modern minds like Jung and Einstein Within its pages the dimensional reality begins to unfold the shapes of Plato's classical elements and the trace of sacred symmetry resounds the golden ratio in Da Vinci's Vitruvian Man East meets west as Tao is expressed and scientific method is challenged Time turns back the clocks of the stars as astrological aspects paint the story of the ages in the sky

Heaven Holds the Answers E. Tillman, 2021-01-28 It's not what we read but rather how we read it that makes the difference. What if I told you things are not as they appear? Black is not black and White is not white and 130 B.C. is not 130 years before Christ. Now turn off the lights and tell me what is white and what is black? Color is the reflection of light without light there is no color. That's what Rome did: they turned off the lights on the truth. And the way we been taught to record time is not the only way it was done. And that an ancient order set claim to the entire Western Hemisphere long before Columbus and possibly achieved it in 130 B.C. With B.C. possibly meaning before Columbus, before the cycle or before the comet of 1492 becoming 1362 possible in this case B.C. stood for all three events. 130 B.C. is not as it appears and the claim was not made for a mortal king or country but rather for a Supreme God. Under God's laws. If you like riddles, if you like enigmas, if you would like to see history recorded and told differently or truer than you may be ready for this challenge. If you are then you are ready to look at the clues that was left behind with an open mind. If you like astronomy I'll show you how different groups of people each use different galactic events besides the Star of Bethlehem to mark the start of their time and all the different groups' calendar are tied together. We will be looking at the equivalent of several Stars of Bethlehem from here in the Americas. I'll be taking you through a dating wormhole without leaving the planet, making you scratch your head, laugh and wonder what if he is right. This book just maybe the start of the rest of the story. If you read through this book the first time you will read it again and again. And you will possibly come to the same conclusion. So that's how they did that. And you will never read things the same way all the time again. Including the Book of Mormons with its three different voyages and possible dating enigmas, truest account ever written about the Americas. Sometimes it's not what is being said that's important, it's what not being said that is. You will be intrigued so if you are ready to start a journey that will give you a lot to think about then turn to page 1. Unravel the truth. The Big Book of Questions & Answers Ann Kramer, Theodore Rowland-Entwistle, John Farndon, 1999-10 **The Publishers Weekly**, 1891 **Publishers' Weekly**, 1894 Stars, Stones and Scholars Andis Kaulins, 2008-12-12 The hermetic tradition claims. As above so below. Did the ancients mean that literally? Stars, Stones and Scholars shows that many ancient megalithic sites are not tombs but are remnants of ancient local, regional and perhaps even larger Neolithic surveys of the Earth by Stone Age astronomy with gigantic stones being placed as immovable survey markers. Circa 40 photographs, 240 drawings and 80 maps show how megaliths were carved and sculpted with figures and cupmarks, holes in the stones to represent stars and constellations long before the modern astrological Zodiac was known. Megalithic sites from England: Stonehenge, Wales: Paviland, Scotland: Clava Cairns, Ireland: Newgrange, Knowth, Germany: Externsteine, Benelux: Weris, France: Carnac, Italy: La Spezia, Malta: Tarxien, Greece: Turkey: Anatolia, Scandinavia: Tanum, the Baltic: Russia: the Near East: the Far East: China and Japan, Africa: Central and South America: Tikal, Maya, Aztecs, Oceania: Hawaii, The USA: Cahokia, Miami Circle, Clovis and Canada: Peterborough. Petroglyphs are included in this fascinating book. **Adrift on a Sea of Lies**, 2019-09-26 How would you feel if you were told that everything you

thought you knew was a lie Humanity has been living with amnesia since the dawn of civilization Mankind has believed that authority provides the truth rather than truth provides the authority This book is an attempt to find the truth of our past and the real history of our civilization why it has been hidden away from us and by whom It is our story with a different theory of the beginning of the universe to the coming totalitarian society of today It follows our history from the cataclysm in our solar system and on Earth in 10 900 BCE through the formation of all religions mystery schools and secret societies that still exist today Because there are too many dots to connect it instead follows a thread of greed power and control through all the world s major events wars assassinations fake terrorism fake news and false flag events such as 9 11 and the London tube bombings It reveals our actual history and attempts to provide evidence that demonstrates that this is not a conspiracy theory but a reality In the West the authorities want to keep us occupied and non thinking with reality television shows televised sports sixty hour work weeks alcohol and drug abuse texting on our iPhones believing in the lies or partial lies they want us to believe in and leave the thinking to them Religious institutions the educational system the justice system the economic system the media and even secret societies have been infiltrated and usurped by these individuals and others with the same philosophy at mankind s expense These individuals have no empathy and no concern for the human condition They seek only one thing and that is power the power to control To them power is more than an addiction but a right Knowledge is the form of their initial power They use that to gain economic power control and influence and then infiltrate all levels of society until they infect the entire planet Their religion is worshipping the self and their ego and they believe that their unique ego is their divine spark Their motto is Do as thou wilt Who are these individuals Why and how have they managed to do this over the past 12 000 years Is there anything we can do that might reverse this during the next 12 000 years Can we ensure this doesn t happen again during the next cycle of our Earth or will it repeat again and again with only minor changes These are the questions that I hope to if not answer give at least some direction where we can find some hope to recapture our civilization
