You Do Not Talk About Fight Club Read Mercer Schuchardt,2015-01-06 Pervasive and multidisciplinary this insightful exploration discusses how and why this seminal work developed and continues to grow such a cult following When Fight Club punched its way onto the scene a decade ago it provided an unprecedented glimpse into the American male s psyche and rapidly turned into a euphemism for a

variety of things that should be just understood and not otherwise acknowledged Key to its success is the variety of lenses through which the story can be interpreted is it a story of male anxiety in a metrosexual world of ritual religion in a secular age of escape from totalitarian capitalism or the spiritual malaise induced by technologically oriented society Writers conspiracy theorists and philosophers are among those ready to talk about Fight Club s ability to be all these and more
