Christians Ethics Research Award The Carl Couch Center for Social and Internet Research Kids around the world love Disney
animated films and many of their parents trust the Disney corporation to provide wholesome moral entertainment for their
children Yet frequent protests and even boycotts of Disney products and practices reveal a widespread unease with the
sometimes mixed and inconsistent moral values espoused in Disney films as the company attempts to appeal to the largest
possible audience In this book Annalee R Ward uses a variety of analytical tools based in rhetorical criticism to examine the
moral messages taught in five recent Disney animated films The Lion King Pocahontas The Hunchback of Notre Dame
Hercules and Mulan Taking the films on their own terms she uncovers the many mixed messages they purvey for example
females can be leaders but male leadership ought to be the norm stereotyping is wrong but black means evil historical truth
is valued but only tell what one can sell etc Adding these messages together Ward raises important questions about the moral
ambiguity of Disney s overall worldview and demonstrates the need for parents to be discerning in letting their children learn
moral values and life lessons from Disney films *Manual of technical analysis, founded upon the Handbuch der
