Historic Timeline

Historic Timeline: A historical timeline is a method of highlighting important historical dates, events, figures, and even as in chronological order. Historical timelines can be very broad or very specific.

Create your own Historic Timeline for this period in history

The diagram shows a horizontal timeline axis. Five vertical lines extend upwards from the axis, each connected to a rectangular box. Four vertical lines extend downwards from the axis, each connected to a rectangular box. Each box has a small header section at the top, likely for a date or event name. The boxes are empty, providing space for students to create their own historical timeline for Ancient Egypt.
