An Unsung Hero Sniper S Target:

An Unsung Hero William M. Forsythe, 2015-01-18 A World War II draftee Jimmy Ray Lewis landed in France as an infantry rifleman shortly after D Day and joined the 104th Division of the U S Army nicknamed the Timberwolves His experiences from boot camp in Arkansas to marching in the Victory Parade in San Francisco are detailed in this memoir of personal transformation from innocent recruit to hardened combat veteran In 200 days of fighting on the front lines of Europe Private Lewis details his fears of snipers machine guns and mine fields His descriptions of artillery bombardments liberating the Nordhausen work camp and meeting the Russians reflect the thoughts of a man struggling with his own values in a world where life and death are the only constants **Heroes of the Battlefield** Brian Williams, Brenda

Williams, 2016-08-11 The year is 1939 Germany led by Adolf Hitler has invaded Poland The world is about to enter into the biggest and most terrible war in history But from the depths of despair rose some very courageous selfless individuals such as Douglas Bader Leonard Bud Lomell and Joan Daphne Pearson who risked their lives for the sakes of others in need often for no gain and with no recognition Here are some of their incredible stories *Voices of Snipers* John Walter, 2022-05-30 Based on an incredible breadth of first hand testimony this is a unique collection of eyewitness accounts from World War I and II John Walter draws on meticulous research and the reminiscences of more than fifty snipers tracing their journeys from recruitment and selection through training combat and its aftermath to reveal a surprising commonality of experience even across nationalities Laying bare the triumphs and brutalities of sniping the personalities and psychologies of those who found themselves doing it and considering the immediate implications on both the sniper and the wider theatre of war this is a fascinating detailed insight into frontline combat and the experience of sharpshooting in its historical context The book is appended with the complete diary of Russian sniper Roza Shanina who is still celebrated today for her remarkable shooting accuracy and astonishing bravery Her diary offers a rare insight into the complexities of what it was to be both a sniper and a woman on the frontline Snipers at War John Walter, 2017-05-30 Snipers at War is a detailed history and analysis of the

equipment tactics and personalities of the sniping world from the pursuit of accuracy to the latest electronic aids to observation and ranging Technology and marksmanship from the Crimean War to the present day is examined in detail The role of the sniper was largely ignored until the Winter War of 1939 40 between Finland and the USSR showed what could be achieved by specialist marksmen Finn Simo Häyhä amassed 505 kills in less than a hundred days a lesson learned by the Red Army to its cost By the Germans invasion of 1941 the Russians were prepared when the war ended in addition to men such as Vasilii Zaytsev a Stalingrad hero with 242 accredited kills the USSR had trained more than 2000 women as snipers After 1945 the sniper s reputation declined again However the Vietnam War seemingly unending Middle Eastern conflict internal strife in Sri Lanka and ever present urban threats have given new impetus not only to sniping but also to the development of new and more effective weaponry **Sniper Operations** Sabine Lorca, AI, 2025-03-29 Sniper Operations offers a deep dive
