*Unconventional Anthroponyms* Oliviu Felecan, 2014-10-02 *Unconventional Anthroponyms* Formation Patterns and Discursive Function continues a series of collective volumes comprising studies on onomastics edited by Oliviu Felecan with Cambridge Scholars Publishing Previous titles in this series include *Name and Naming Synchronic and Diachronic Perspectives* 2012 and *Onomastics in Contemporary Public Space* 2013 co edited with Alina Bughe iu In contemporary naming practice one can distinguish two verbal linguistic means of nominal referential identification a natural one which

occurs in the process of conventional official canonical standard naming and results in conventional official canonical standard anthroponyms a motivated one which occurs in the process of unconventional unofficial uncanonical non standard naming and results in unconventional unofficial uncanonical non standard anthroponyms The significance of an official name is arbitrary conventional unmotivated occasional and circumstantial as names are not likely to carry any intrinsic meaning names are given by third parties parents godparents other relatives and so on with the intention to individualise to differentiate from other individuals Any meaning with which a name might be endowed should be credited to the name giver s he assigns several potential interpretations to the phonetic form of choice based on his her aesthetic and cultural options and other kinds of tastes which are manifested at a certain time Unconventional anthroponyms nicknames bynames user names pseudonyms hypocoristics individual and group appellatives that undergo anthroponymisation are nominal derivatives that result from a name giver s wish to attach a specifying defining verbal linguistic tag to a certain individual An unconventional anthroponym is a person s singular signum which may convey a practical necessity to avoid anthroponymic homonymy the existence of several bearers for a particular name or the intention to qualify a certain human type to underline specific difference in this case the unconventional anthroponym has an over individualising role or on the contrary to mark an individual s belonging to a class his her association with other individuals with whom s he is typologically related see the case of generic unconventional anthroponyms [United States Government Publications, a Monthly Catalog](#) United States. Superintendent of Documents,1922 *An Alternative Labour History* Assistant Professor Dario Azzellini,2015-03-12 The global financial crisis has led to a new shop floor militancy Radical forms of protest and new workers takeovers have sprung up all over the globe In the US Republic Windows and Doors started production under worker control in January 2013 Later that year workers in Greece took over and managed a hotel a hospital a newspaper a TV channel and a factory The dominant revolutionary left has viewed workers control as part of a system necessary during a transition to socialism Yet most socialist and communist parties have neglected to promote workers control as it challenges the centrality of parties and it is in this spirit that trade unions operating through the institutional frameworks of government have held a monopoly over labor history Tracing Marx s writings on the Paris Commune through council communism anarcho syndicalism Italian operaismo and other heretical left currents *An Alternative Labour History* uncovers the practices and intentions of historical and contemporary autonomous workers movements that until now have been largely obscured It shows that by bringing permanence and predictability to their workplaces workers can stabilize their communities through expressions of participatory democracy And as history has repeatedly shown workers have always had the capacity to run their enterprises on their own *Alternative Publishers of Books in North America* Byron Anderson,2006 This directory is a unique reference tool that gathers information on significant alternative presses 126 U S presses 19 Canadian and 18 international presses having either a North American address or distributor Thirty three presses are new to this edition [Societal Impacts of](#)

**Alternative Iran** Pamela Karimi,2022-09-27 Alternative Iran offers a unique contribution to the field of contemporary art investigating how Iranian artists engage with space and site amid the pressures of the art market and the state's regulatory regimes Since the 1980s political economic and intellectual forces have driven Iran's creative class toward increasingly original forms of artmaking not meant for official venues Instead these art forms appear in private homes with trusted audiences derelict buildings leftover urban zones and remote natural sites While many of these venues operate independently others are fully sanctioned by the state Drawing on interviews with over a hundred artists gallerists theater experts musicians and designers Pamela Karimi throws into sharp relief the extraordinary art and performance activities that have received little attention outside Iran Attending to nonconforming curatorial projects independent guerrilla installations escapist practices and tacitly subversive performances Karimi discloses the push and pull between the art community and the authorities and discusses myriad instances of tentative coalition as opposed to outright partnership or uncompromising resistance Illustrated with more than 120 full color images this book provides entry into unique artistic experiences without catering to voyeuristic curiosity around Iran's often perceived underground culture **South Africa's Alternative Press** Les

Hurley, 2014-07-30 Cops everywhere have their stories The retired police officers of the Oxnard Police Department are no exception Like the stories told by officers anywhere Oxnard PD s stories too seem to grow each time they are retold until few can offer an iron clad guarantee that they are today the way the stories actually unfolded then Some officers however offer an iron clad guarantee that these stories reflect their current memory Offbeat is a collection of their stories In another sense they represent the stories of all police departments everywhere for it is these stories that provide the perspective necessary for sanity in at times an insane world Offbeat is the humor behind the badge      United States Government Publications Monthly Catalog, 1922      **Alternative Shakespeares** John Drakakis, 2003-12-16 When critical theory met literary studies in the 1970s and 80s some of the most radical and exciting theoretical work centred on the quasi sacred figure of Shakespeare In Alternative Shakespeares John Drakakis brought together key essays by founding figures in this movement to remake Shakespeare studies A new afterword by Robert Weimann outlines the extraordinary impact of Alternative Shakespeares on academic Shakespeare studies But as yet the Shakespeare myth continues to thrive both in Stratford and in our schools These essays are as relevant and as powerful as they were upon publication and with a contributor list that reads like a who s who of modern Shakespeare studies Alternative Shakespeares demands to be read
