life he'd always dreamed of **Waiting For You** K.C. Wells, 2014-06-01 Mike Davenport was seventeen when he ran away from his home in London. He took the first coach available and ended up on the streets of Manchester as a rent boy. Maybe once he could have gone home but after losing his best friend Simon Marchwell when he professed his love and suffering an assault at the hands of the first man he dated, Mike doubts returning to his parents will end any happier than the rest. Christmas is nearly here and Mike is freezing his arse off near the bus station when a battered Ford Fiesta crawls past not once but three times. Mike thinks his luck is in but when the window rolls down and he comes face to face with Simon, Mike's world changes again. *Endings and Beginnings* K.C. Wells, Parker Williams, 2016-07-18 Collars and Cuffs Book Eight In all his relationships, Darren Fielding never found the level of intimacy he witnessed between Thomas Williams and his sub Peter the day of Peter's rebirth. Not only that, he never realized such intimacy was possible. For two years, Thomas's business card has been burning a hole in his wallet. When Darren's lover moves on, maybe it's finally time to see where that card takes him. Collars Cuffs new barman JJ Taylor is really conflicted right now. He went to the club with a very specific purpose already convinced of what he'd find there. Except it's not what he expected at all. He certainly didn't anticipate finding himself drawn to the new wannabe Dom. Nor could he have guessed the direction that attraction would lead him. Old love, new love, vows, pain, rage, moving in, moving on. The members of Collars Cuffs face an event that touches some of them deeply but it will only reinforce what they already know: together they are stronger and some bonds cannot be broken. Dom of Ages K.C. Wells, Parker Williams, 2015-12-21 Collars and Cuffs Book Seven Eli may only be thirty but he has had enough of pretend submissives. When he spies Jarod in a BDSM club, everything about the man screams submission. So what if Jarod is probably twenty years older than Eli? What does age matter anyway? All he can see is what he's always wanted: a sub who wants to serve. Jarod spent twenty-four years with his Master before Fate took him. Four years on, Jarod is still lost, so when a young Dom takes charge, Jarod rolls with it and finds himself serving again. But he keeps waiting for the other shoe to drop. Because there's going to come a point when Eli realizes he's a laughingstock in the club. Who would want to be seen with a fifty-year-old sub? After several missteps, Eli realizes that in order to find happiness, they will need friends who will understand. At a friend's insistence, he visits Collars Cuffs where they are met with open arms. As they settle in to their new life, Eli begins to see things differently and he dares to think he can have it all. Until a phone call threatens to take it all away. **The Night Wolf** Parker Williams, 2020-05-26 The Wolves of Lydon Book One The night wolf is a legend told to scare children into obeying their parents.
