Introduction to Nursing Research Boswell, Sharon Cannon, 2017 The Fourth Edition of *Introduction to Nursing Research* is a distinct integration of evidence based practice and research for the baccalaureate student and practicing registered nurses. It focuses on how students can incorporate research into their daily practice while considering all the newest trends and issues. This is not a typical introduction to nursing research book; it is an evidence based practice text that uses research. The Fourth Edition focuses on the meaning of evidence, the use of quality improvement, and the practical application of these aspects for the practicing health care provider.

Introduction to Nursing Research: Incorporating Evidence-Based Practice Carol Boswell, Sharon Cannon, 2018-12-17 *Introduction to Nursing Research: Incorporating Evidence Based Practice* Fifth Edition teaches nursing students how to integrate evidence based practice and research into their daily practice while considering the newest trends and research.

Saving Lives Sandy Summers, Harry Summers, 2015 This fully updated and expanded edition of *Saving Lives* highlights the essential roles nurses play in contemporary health care and how this role is marginalized by contemporary culture. Through engaging prose and examples drawn from television advertising and news coverage, the authors detail the media's role in reinforcing stereotypes that fuel the nursing shortage and devalue a highly educated sector of the contemporary workforce. Perhaps most important, the authors provide a wealth of ideas to help reinvigorate the nursing field and correct this imbalance.

Quality Improvement: A Guide for Integration in Nursing Anita Finkelman, 2020-12-09 *Quality Improvement: A Guide for Integration in Nursing* Second Edition is an integral resource for both nursing students and professionals. Quality improvement is a crucial part of healthcare and one that nurses are charged with implementing daily as they care for patients.
