The Routledge Companion to Financial Services Marketing Tina Harrison, Hooman Estelami, 2014-12-05

Interest in Financial Services Marketing has grown hugely over the last few decades particularly since the financial crisis which scarred the industry and its relationship with customers. It reflects the importance of the financial services industry to the economies of every nation and the realisation that the consumption and marketing of financial services differs from that of tangible goods and indeed many other intangible services. This book is therefore a timely and much needed comprehensive compendium that reflects the development and maturation of the research domain and pulls together in a single volume the current state of thinking and debate. The events associated with the financial crisis have highlighted that there is a need for banks and other financial institutions to understand how to rebuild trust and confidence, improve relationships and derive value from the marketing process. Edited by an international team of experts, this book will provide the latest thinking on how to manage such challenges and will be vital reading for students and lecturers in financial services marketing, policy makers and practitioners.

Marketing Management Russell S. Winer, 2004. When making lifetime gifts or passing on wealth to your heirs it is easy to overlook the tax consequences. As a result gifts are too often wrapped in an unnecessary tax bill. Also following several years of rising house prices inheritance tax can bite deeply into even modest estates. Yet with forward planning in many cases a tax bill can be reduced or avoided altogether. This guide explains how to plan your giving and shows you how to use tax rules efficiently to ensure that your gift reaches the right person and is not unnecessarily taxed. It includes handy calculators, numerous examples and sections on popular themes such as giving away your home, making gifts to children and grandchildren and using trusts.

Marketing Management Robert E. Stevens, David L. Loudon, Bruce Wrenn, 2012-11-12. Step by step guidelines for successful marketing management. Designed for college and graduate level marketing students. Marketing Management Text and Cases is also a valuable resource for anyone trying to market a product or service. This volume integrates understandable marketing concepts and techniques with useful tables, graphs and exhibits. Three leading experts in marketing management teach you how to market any business. Marketing Management Text and Cases is divided into two sections to accommodate a wide variety of interests. The first section is an essential textbook that offers a complete overview of marketing management and describes the steps necessary for successful company to customer interaction. Each chapter comes generously enhanced with tables and charts to clearly demonstrate the marketing process from concept to implementation. Marketing Management Text and Cases also contains fifteen new case studies to challenge the more experienced marketing student as well as introduce the beginner to situations where the marketing process can be demonstrated. These cases provide a wide variety of managerial situations for small, medium and large companies as well as entrepreneurial cases to expose readers to the types of analyses needed for those examples. From the creation of a new waterpark to marketing algae products, these case studies provide backgrounds, histories, trend analyses and data to reveal the companies' situations and possible solutions. This book is useful for training courses and valuable to university faculty and students as well as business managers, CEOs and entrepreneurs. Marketing Management Text and Cases covers essential
