Spanish recipes for everyday cooking Alfonso López Alonso, More than 100 easy recipes based on Spanish and Mediterranean cuisine for a healthy and diverse diet This book brings together the best dishes from recetasderechupete.com one of the most popular recipe blogs in Spanish This title features 107 easy recipes with step by step instructions colour photos of every recipe and lively personal anecdotes

FOREWORD I could tell you that this is a wonderful book I could also tell you that this book is full of marvelous recipes illustrated with mouthwatering pictures which would make you dream of savoring these dishes one day I could comment on how well explained all the tricks and techniques needed to cook these recipes are I could do all this and I would not be lying But instead I rather talk about the author A guy I liked from the minute I met him He is full of good vibes and has always helped me and other gastro bloggers in every way he could Alfonso is one of those odd people who likes everyone who does not fit the stereotype of a cautious Galician since he is bold and direct and on top of everything he is no dummy I also deeply admire him for creating one of the best blogs in Spain Recetas de Rechupete You might be thinking that you couldn t care less about all this and that the personal qualities of the author are not necessary

when judging the recipes in a cookbook This could be true about a conventional cookbook but never about a blogger s cookbook The main value in any blog is that it is personal no one else could have written it And when it comes to culinary blogs it is important that they reflect the origins experiences tastes and the obsessions of the person that is driving it Both Recetas de Rechupete and the book are 100% Alfonso they ooze earnestness and frankness simplicity closeness but above all the good food enthusiasm put into it by the author I would love to have my own Alfonso preparing all these meals for me enjoying his conversation But since this is impossible at least until the electronic author is invented I will just have to resign myself to having the book in my computer and reverting to it every time I am in the mood for an everyday meal Mikel Lopez Iturriaga El Comidista Blogger and journalist at elpais.com
