The New Civil War Handbook Mark Hughes,2019-02-20 This book triumphs on several levels This is going to be my answer to the question Where should I start looking at the Civil War from now on TOCWOC A Civil War Blog The New Civil War Handbook is a complete up to date guide for American Civil War enthusiasts of all ages Author Mark Hughes uses clear and concise writing tables charts and more than 100 photographs to trace the history of the war from the beginning of the conflict through Reconstruction Coverage includes battles and campaigns the common soldier technology weapons women and minorities at war hospitals prisons generals the naval war artillery and much more In addition to these important areas Hughes includes a fascinating section about the Civil War online including popular blog sites and other Internet resources Reference material in The New Civil War Handbook includes losses in battles alternate names for battles major causes of death of Union soldiers no data exists for Confederates deaths in POW camps and other valuable but hard to locate information Readers will find The New Civil War Handbook to be an invaluable quick reference guide and one that makes an excellent gift for both the Civil War novice and the Civil War buff Updated and more comprehensive than ever Mark Hughes timely release of The New Civil War Handbook will introduce yet another generation to the defining event in American history Terrence J Winschel retired Chief Historian Vicksburg National Military Park and author of Triumph and Defeat

Horses and Mules in the Civil War Gene C. Armistead,2013-09-09 Horses and mules served during the Civil War in greater number and suffered more casualties than the men of the Union and Confederate armies combined Using firsthand accounts this history addresses the many uses of equines during the war the methods by which they were obtained their costs their suffering on the battlefields and roads their consumption by soldiers and such topics as racing and mounted music The book is supplemented by accounts of the Lightning Mule Brigade the Charge of the Mule Brigade five appendices and 37 illustrations More than 700 Civil War equines are identified and described with incidental information and identification of their masters

Confederate Emancipation Bruce Levine,2005-11-01 In early 1864 as the Confederate Army of Tennessee licked its wounds after being routed at the Battle of Chattanooga Major General Patrick Cleburne the Stonewall of the West proposed that the most courageous of our slaves be trained as soldiers and that every slave in the South who shall remain true to the Confederacy in this war be freed In Confederate Emancipation Bruce Levine looks closely at such Confederate plans to arm and free slaves He shows that within a year of Cleburne s proposal which was initially rejected out of hand Jefferson Davis

Judah P Benjamin and Robert E Lee had all reached the same conclusions At that point the idea was debated widely in newspapers and drawing rooms across the South as more and more slaves fled to Union lines and fought in the ranks of the Union army Eventually the soldiers of Lee s army voted on the proposal and the Confederate government actually enacted a version of it in March The Army issued the necessary orders just two weeks before Appomattox too late to affect the course of the war Throughout the book Levine captures the voices of blacks and whites wealthy planters and poor farmers soldiers and officers and newspaper editors and politicians from all across the South In the process he sheds light on such hot button topics as what the Confederacy was fighting for whether black southerners were willing to fight in large numbers in defense of the South and what this episode foretold about life and politics in the post war South Confederate Emancipation offers an engaging and illuminating account of a fascinating and politically charged idea setting it firmly and vividly in the context of the Civil War and the part played in it by the issue of slavery and the actions of the slaves themselves
