

Clay Story (10 Syllables Per Line Poem)

**Strange how Life can be more than a story
Plots and characters bring a pleasant thrill
With laughter and tears, some sad and funny
Tragedies and heartaches may bring Pain's chill.**

**A finite journey men must tread along
But storms and trials make it clear to me
In the end there's a Home where we belong
Our purpose is -with God we're meant to be.**

**Life one page at a time is no wonder
God's the Author, so trust in Him today
He knows the best- His Love stays forever
And the choice is ours to make, if we may.**

**As clay to the Potter, let our life be-
A masterpiece for Him all men can see.**

Goal! : More Than Soccer and Sports Poems Gerardo Migliarisi,1998 *Angels Playing Football* Keith Armstrong,2006-01-01 **The Diary of an Old Soul & the White Page Poems** Betty K Aberlin,George MacDonald,2020-10-23 In 1880 George MacDonald the Scottish poet novelist and preacher in the wake of the deaths of two of his children published A Book of Strife in the Form of the Diary of an Old Soul This book which unites grief and hope in hard won faith contains a poem for every day of the year In the first edition of this classic collection there was a blank page opposite each page of poems Readers were invited to write their own reflections on the white page MacDonald wrote Let your white page be ground my print be seed growing to golden ears that faith and hope may feed _ _ _ Betty Aberlin a native New Yorker of Russian Jewish ancestry raised in post Holocaust orthodox atheism and nurtured in the arts responded to MacDonald s invitation with daily poems of her own Following the strict poetic form of The Diary of an Old Soul was an illuminating experience In her own 7 line 3 rhyme 10 syllable pattern Aberlin created a unique mixture of recurring themes and images drawing from Judaism Christianity and her experiences as an actress and artist Her vision is fresh and honest revealing a keen observation of nature and human nature from the exhilarations of faith hope and love to the despairs of war rejection and failure Aberlin opens a path into spiritual reflection for the thoughtful reader to follow _ _ _ Here are a few of the accolades for The White Page Poems _ _ _ In this labor of love Betty Aberlin s close readings of George MacDonald s verses and her thoughtful responses to them speak clearly of her poetic gifts and spiritual intelligence Luci Shaw poet and author _ _ _ An awesome collection and collaboration Daniel Berrigan SJ poet in residence Fordham University _ _ _ A fascinating new book fresh and incisive Don King author of C S Lewis Poet **Paper Seagulls** Nic Outterside,2022-02-16 Football is the most tribal and all consuming sport on our planet Its influence and passion spreads from Australia to Japan Brazil Argentina Uruguay central America and almost every country in Africa to all of Russia Europe and way beyond Now that passion for the beautiful game has even invaded the USA and the Middle East pushing all other usurpers out of play Its human fire is stoked by the camaraderie and tribalism of its supporters who follow their chosen club until they die But the word chosen is not actually true because for nearly all football supporters their chosen club is usually determined by their

place of birth residence or familial influence But once hooked a fan is always hooked In my own case my paternal grandfather was a Geordie and die hard Newcastle United fan But my father had no interest in football at all So I guess it was left to me I was born in Hull but from the age of three lived and was educated in sunny Sussex After attending my first Brighton and Hove Albion game at the Goldstone Ground at the tender age of 11 in 1967 I was bound for life to supporting that one club And that loyalty and passion would not be swerved despite living most of my life in places as diverse as Huddersfield Barnsley Manchester Scotland Tyneside and now Wolverhampton rarely has the term Brighton till I die had such relevance I look to brothers and sisters I barely know for my unity and tribal belonging We are different ages have different backgrounds different political views different tastes in music and fashion different home towns and different education But we are all united by one simple fact we support Brighton and Hove Albion and for most of us will do until we die Like every other football club our unity and camaraderie are cemented by the stadium tribalism of the chants and songs we sing in support of our club Some chants change and develop between the seasons or indeed between grounds while some are universal between clubs with the odd word tweaked to make it more personal And many are aimed at our b te noire in our case our deadly rivals Crystal Palace FC The chants know no bounds and there is little censorship But what I have done for this book is draw a firm line in the sand against anything which is racist islamophobic anti semitic or homophobic There are plenty of F bombs crunts and wankers here but nothing to insult others by way of attacking their race religion or sexual orientation However you will find quite a few selections which defend us against the many years of homophobic abuse we have received from fans of other clubs On most occasions our defence is quite humorous and even leaves the opposition fans chuckling So what you are holding is a book a personal pot pourri of songs and chants for Brighton and Hove Albion since my first game more than 55 years ago The selection is not censored because the words you hear on football terraces are often not the ones you would hear or utter in Boots the Chemist in church or indeed in front of your children or a favourite elderly aunt The words are raw and sometimes offensive but they are true they comprise our united passion Added to this selection are a handful of personal poems about my club which have touched some heart strings over the years Enjoy
