Simon, 1960 An invaluable guide for both casual opera fans and aficionados 100 Great Operas is perhaps the most comprehensive and enjoyable volume of opera stories ever written From La Traviata to Aida from Carmen to Don Giovanni here are the plots of the world's best loved operas told in an engaging picturesque and readable manner Written by noted opera authority Henry W Simon this distinctive reference book contains act by act descriptions of 100 operatic works ranging from the historic early seventeenth century masterpieces of Monteverdi to the modern classics of Gian Carlo Menotti In addition to highlighting the most important aspects of each opera the author discusses the main characters the famous turnings of plot and the most significant arias Here too is a wealth of anecdotes concerning literary background past performances and stars and production problems of the great operas **The Beginner's Guide to Opera Stage Management** Danielle Ranno, 2022-11-30 The Beginner's Guide to Opera Stage Management is the first book to cover theatrical stage management practices specifically for opera productions providing an invaluable step by step guide Beginning with a brief history of opera and detailing its difference from musical theatre the book covers stage management best practices through prep rehearsals tech performance and wrap up From the moment a manager accepts a contract right through to archiving paperwork this essential toolkit covers each step of a stage manager's journey Working with a score reading music working with singers conductors and musicians basic duties of a stage manager versus an assistant stage manager and other tasks specific to opera are also included in this comprehensive guide This book is full of tips and tricks as well as the good bad and ugly stories from opera stage managers sharing both their experiences and mistakes This is the perfect how to book for the professional or emerging stage manager looking to work in opera or to expand their existing stage management skillset [Magic Words](#) Craig Conley, 2008-10-01 This is one of a kind resource for armchair linguists pop culture enthusiasts Pagans Wiccans magicians and trivia nuts alike **Singing ? Body and Soul** Barbara J. Simon, 2013-11 Singing Body and Soul is for the young singer to help you discover how your voice body and mind work together There are great books about the links between science and music but most are written for adults with strong music

backgrounds and college degrees Young singers need a streamlined version so your voice can express your inner life right now The voice has the most exciting sound when a singer is between 20 to 25 years old That s when desire starts to ride on the sound and helps you stand out at an audition By then you already need years of singing experience to make the most of your opportunities That means learning about your voice early at 14 years old or younger Singing Body and Soul offers new guidance for developing your singing It includes artistic and scientific descriptions and uses song lyrics to illustrate states of mind Musical Theater plots characters and songs fill the book so the text is more storytelling than classroom lecture With quotes and references from Charlie Brown Albert Einstein and Dr Seuss Singing Body and Soul can help you understand your voice in new ways and make the world hear what you have to say 100 Great Operas and Their Stories Henry W.
