14 Grade 10 Tourism Pat Memorandum

Imaobong Umoren

14 Grade 10 Tourism Pat Memorandum:

Empire Without End Imaobong Umoren, 2025-10-21 A powerful groundbreaking new history of Britain and the Caribbean challenging existing thinking about British colonization and recontextualizing the twin stories of contemporary inequality in both regions In *Empire Without End* historian Imaobong Umoren delivers an incisive and captivating exploration of the deep complex ties between Britain and the Caribbean largely underexamined until now Spanning from the 16th century to the present this riveting narrative redefines how we view the Caribbean not just as a source of labor and resources for the British Empire but as a dynamic testing ground for social and cultural experimentation Umoren uncovers how the Caribbean shaped British societal ideals many of which were exported back to Britain laying the foundation for a racial caste system that still affects social political and economic life today This deeply researched work goes beyond historical accounts of sugar plantations and slavery Umoren dives deeper exploring how religion global migration war grassroots protest and even tourism all played into the Caribbean's lasting legacy She boldly connects the dots to modern day issues arguing that the shadow of British colonization lingers through neo colonialism continuing to shape the lives of Caribbean people As the world confronts a collective racial reckoning *Empire Without End* sheds light on the ongoing fight for reparations and justice offering a much needed lens on history's unfinished business Written with clarity and packed with profound insights *Empire Without End* is a must read for anyone curious about the intertwined histories of Britain the Caribbean and America Joining the ranks of acclaimed historical titles like *Black Ghosts of Empire* and works by Ta Nehisi Coates this book provides a fresh urgent perspective on empire's enduring impact and the global conversation it demands today

Paradoxes of Neoliberalism Elizabeth Bernstein, Janet R Jakobsen, 2021-12-24 From the rise of far right regimes to the tumult of the COVID 19 pandemic recent years have brought global upheaval as well as the sedimentation of longstanding social inequalities Analyzing the complexities of the current political moment in different geographic regions this book addresses the paradoxical persistence of neoliberal policies and practices in order to ground the pursuit of a more just world Engaging theories of decoloniality racial capitalism queer materialism and social reproduction this book demonstrates the centrality of sexual politics to neoliberalism including both social relations and statecraft Drawing on ethnographic case studies the authors show that gender and sexuality may be the site for policies like those pertaining to sex trafficking which bundle together economics and changes to the structure of the state In other instances sexual politics are crucial components of policies on issues ranging from the growth of financial services to migration Tracing the role of sexual politics across different localities and through different political domains this book delineates the paradoxical assemblage that makes up contemporary neoliberal hegemony In addition to exploring contemporary social relations of neoliberal governance exploitation domination and exclusion the authors also consider gender and sexuality as forces that have shaped myriad forms of community based activism and resistance including local efforts to pursue new forms of social change By tracing neoliberal paradoxes across global sites the book delineates the multiple dimensions of economic and cultural restructuring that have characterized neoliberal regimes and emergent activist responses to them This innovative analysis of the relationship between gender justice and political economy will appeal to interdisciplinary scholars in social and cultural studies legal and political theorists and the wide range of readers who are concerned with contemporary questions of social justice
