

Memorandum

Dated: 14 January 2023

To: Sales & Marketing Group

From: Praveenkumar Revankar, Product Engineering

Subject: Delay in release timelines of Feature A and Feature B.

Purpose:

The purpose of this document is to notify the cross-functional group about sudden changes in release timelines of Feature A and Feature B and to reinform the group to reprioritize certain tasks for Sales and Marketing for the release.

Background/Context:

We have been working together on our key USP features 'Feature A' and 'Feature B' for targeting their release this quarter. Due to unforeseen circumstances, there is a change in the release timelines and the new timeline will be shared shortly in Scrum of Scrum meeting where a representative from Sales has been invited.

Action:

Even though it looks like a major setback and current activities w.r.t. The release can be paused, there are certain actions that have to be performed in this quarter. The same has been conveyed in Jira, marking the work items with labels "Q1_Paused" and "Q1_Must." Please reprioritize your internal activities based on the labels in Jira and ensure a final plan reflected in Jira on or before 30 January 2023.

Conclusion:

We might be delayed with the release but we are not affecting the business. The necessary strategy is defined and put in place to ensure customers can solve their problems using our support until Feature A and Feature B release.

Thanks,
Praveenkumar Revankar

The Loneliness of the Black Republican Leah Wright Rigueur,2016-08-02 The story of black conservatives in the Republican Party from the New Deal to Ronald Reagan Covering more than four decades of American social and political history The Loneliness of the Black Republican examines the ideas and actions of black Republican activists officials and politicians from the era of the New Deal to Ronald Reagan s presidential ascent in 1980 Their unique stories reveal African Americans fighting for an alternative economic and civil rights movement even as the Republican Party appeared increasingly hostile to that very idea Black party members attempted to influence the direction of conservatism not to destroy it but rather to expand the ideology to include black needs and interests As racial minorities in their political party and as political minorities within their community black Republicans occupied an irreconcilable position they were shunned by African American communities and subordinated by the GOP In response black Republicans vocally and at times viciously critiqued members of their race and party in an effort to shape the attitudes and public images of black citizens and the GOP And yet there was also a measure of irony to black Republicans loneliness at various points factions of the Republican Party such as the Nixon administration instituted some of the policies and programs offered by black party members What s more black Republican initiatives such as the fair housing legislation of senator Edward Brooke sometimes garnered support from outside the Republican Party especially among the black press Democratic officials and constituents of all races Moving beyond traditional liberalism and conservatism black Republicans sought to address African American racial experiences in a distinctly Republican way The Loneliness of the Black Republican provides a new understanding of the interaction between African Americans and the Republican Party and the seemingly incongruous intersection of civil rights and American conservatism *List and Index of ASF Publications* United States.
