Committee on the Judiciary, 1972 *Place of Shadows* Phil Jarratt, 2021-06-08 This comprehensive history of Noosa comes straight from the heart Award winning writer Phil Jarratt has lived in the seaside town for more than 30 years and has played many roles as both communicator and protagonist over its transition from sleepy village to iconic resort In many ways it is a love letter to his adopted home but the Noosa story is not always a pretty one and Jarratt does not flinch from the harsh realities of the cruelties inflicted on the Kabi Kabi First Nation nor from the wild years when Tewantin was a playground for cashed up gold diggers nor from the unscrupulous development deals of the Joh era But this is a history filled with admiration for the fighters of the past and hope for the future

An Invitation to Slow Mark R. McMinn, Lisa Graham McMinn, 2024-10-22 We live in a day of fast information fast fingers fast food fast shipping fast words fast anger and fast judgment Our fight or flight impulses keep us on high alert aided by mobile devices that vibrate each time another crisis strikes All this fastness can easily interfere with a slow intentional life grounded in God's love Christian faith has deep treasures and practices to offer us How will we live and who will we be in this highly charged era where politics economics environment and social norms are under significant duress Come explore quieter more intentional ways of being and how these might attune us to the slow work of God in order that we might love one another and the world as God does Our chapters pair a lure to move fast with an invitation to slow Becoming slow to anger is an invitation to empathy slow to judge is an invitation to humility and slow to grasp is an invitation to contentment Ultimately each of these invitations is a movement toward God
