Den Svensk-Norska unionen Oscar Alin, 1889 **The Statutes at Large of the United States** United States, 1907

Statutes at Large is the official annual compilation of public and private laws printed by the GPO. Laws are arranged by order of passage. **Public Service Exemplars** J. Michael Martinez, 2024-08-02

Understanding and encouraging the development of good leaders are so important that schools of business administration, public administration, public policy, and organizational development teach courses in leadership. Within the public administration literature, scholars have discussed the value of studying outstanding individuals who have been uniquely effective in fulfilling their formal duties as well as ethical in leading their organizations. *Public Service Exemplars* is the first book to highlight the decision-making styles of American public servants who serve as models of excellence in public service. While the roles they held, eras in which they served, formal training for the job, personalities, and relative levels of fame differ widely, the figures profiled in this book are united in their strong belief in the efficacy of government service and a willingness to employ innovative methods for accomplishing objectives. Examining three theories of decision making by effective leaders: autocratic leadership, democratic leadership, and delegative leadership, this book explores the way that unelected leaders working within public agencies and in a couple of cases the US military reached decisions that are widely considered to be highly effective. Profiling leaders as diverse as Robert Moses, Frances Perkins, James Webb, Colin Powell, and Anthony Fauci, to name a few, *Public Service Exemplars* questions whether great leadership truly is as it is often assumed: an elusive, almost indefinable quality. Can it be taught? Are effective leaders born, made, or a combination thereof? This book will be of keen interest to both current and future public service leaders, including students enrolled in public administration and nonprofit management courses. *The Statutes at Large of the United States from ...* United States, 1907 **Tharander forstliches Jahrbuch**, 1892 The Statutes at Large, the United States from ... United States, 1907 Conrad Ferdinand Meyers Briefwechsel Conrad Ferdinand Meyer, Hermann Lingg, Paul Heyse, 2022-08-31

Zwei der wichtigsten Schriftstellerbriefwechsel: C. F. Meyers erstmals vollständig ediert und kommentiert. In den 1870er Jahren machte C. F. Meyer die Bekanntschaft der beiden eng befreundeten Schriftsteller Hermann Lingg und Paul Heyse, die seit der Gründung 1854 Mitglieder des Münchner Dichterkreises waren. Der von Emanuel Geibel entdeckte Lingg galt vielen als einer der herausragendsten Lyriker seiner Zeit, während Heyse spätestens nach 1870 geradezu als Dichterfirst verehrt wurde; dessen Novellen und Dramen allgemein bewundert wurden. C. F. Meyer hingegen stand um 1875 herum erst am Anfang seiner literarischen Laufbahn. In den bis in die 1890er Jahre reichenden Korrespondenzen spiegelt sich auch Meyers Aufstieg vom Geheimtipp zur Berühmtheit. Während Meyers Briefwechsel mit dem empfindsamen Lingg von tiefer gegenseitiger Zuneigung geprägt ist, zeugt der briefliche Dialog mit Heyse oft von Asymmetrie und Ambivalenz. Heyse neigt zu einer dominanten Haltung, was u.a. in der Kritik an Meyers Novellistik zum Ausdruck kommt, während Meyer nie aus der Rolle des unterwürfigen Novizen herausfindet. Lepidopteren
