14 Paper 3 Essay Memorandum Of November Grade 11:

The Great Rent Wars Robert M. Fogelson, 2013-10-15 Written by one of the country's foremost urban historians The Great Rent Wars tells the fascinating but little known story of the battles between landlords and tenants in the nation's largest city from 1917 through 1929 These conflicts were triggered by the post war housing shortage which prompted landlords to raise rents drove tenants to go on rent strikes and spurred the state legislature a conservative body dominated by upstate Republicans to impose rent control in New York a radical and unprecedented step that transformed landlord tenant relations The Great Rent Wars traces the tumultuous history of rent control in New York from its inception to its expiration as it unfolded in New York Albany and Washington D C At the heart of this story are such memorable figures as Al Smith Fiorello H La Guardia and Oliver Wendell Holmes as well as a host of tenants landlords judges and politicians who have long been forgotten Fogelson also explores the heated debates over landlord tenant law housing policy and other issues that are as controversial today as they were a century ago

Churchill and the Lion City Brian Farrell, 2011-01-01 British imperialism helped shaped the modern world order This same imperialism created modern Singapore controlling its colonial development and influencing its post colonial orientation Winston Churchill was British imperialism's most significant twentieth century statesman He never visited Singapore but his story and that of the city state are deeply intertwined Singapore became a symbol of British imperial power in Asia to Churchill while Singaporeans came to see him as symbolizing that power The fall of Singapore to Japanese conquest in 1942 was a low point in Churchill's war leadership one he forever labeled by calling it the worst disaster in British military history It was also a tragedy for Singapore ushering in three years of harsh military occupation But the interplay between these three historical forces Churchill Empire and Singapore extended well beyond this dramatic conjuncture The Last Lion and the Lion City provides a critical examination of that longer interplay through an analysis of Churchill's understanding of empire his perceptions of Singapore and its imperial role his direction of affairs regarding Singapore and the Empire his influence on the subsequent relationship between Britain and Singapore

Igartua,2011-11-01 In the twenty years following the Second World War representations of national identity in anglophone Canada underwent a deep transformation Ethnic definitions of Canadian identity gave way to a rights based concept of citizenship The Other Quiet Revolution traces this under examined cultural transformation woven through key developments in the formation of Canadian nationhood from the 1946 Citizenship Act and the 1956 Suez crisis to the Royal Commission on Bilingualism and Biculturalism 1963 1970 and the adoption of the federal multiculturalism policy in 1971 In this elegant work Jos Igartua analyzes editorial opinion political rhetoric history textbooks and public opinion polls to show how Canada s self conception as a British country extended into the 1950s In the decade that followed however the British definition of Canada dissolved Struggles with bilingualism and biculturalism as well as Quebec s constitutional demands helped to fashion new representations of national identity in English speaking Canada based on the civic principle of equality With its sophisticated conceptual framework and systematic approach to understanding the discourse of Canadian collective identity The Other Quiet Revolution will appeal to readers interested in Canadian identity and nationalism and to general readers of Canadian history **Prologue** ,2001 , *Muslims in Britain* Humayun Ansari,2002-09-03 The situation of Muslims in Britain is one of the most pressing issues facing British society today A rise in the number of attacks on Muslims in Britain increasing threats to civil liberties in the name of security measures a resurgence in the activities of the far right in Britain as well as elsewhere in Europe and a crackdown on refugees fleeing persecution place serious questions over Britain s commitment to minority rights The purpose of this report is to explore Muslim experience in Britain and to call for legislative and policy change The author considers Muslims access to education employment and housing drawing upon new research and existing statistics as well as case studies and interviews He discusses Muslims diverse and changing identities their participation in politics at local and national level their campaigns around education He gives an outline of how Sharia law and English law conflict in some areas but have been reconciled in others Islamophobia and the media and within the criminal justice system particularly post September 11th are also examined Finally the author examines existing human rights legislation in relation to Muslims in Britain and finds that they are for the most part unprotected A set of recommendations proposes some steps that could be taken to tackle religious discrimination Islamophobia in the media and other issues of concern **Sports Journalism** Patrick S. Washburn,Chris Lamb,2020-07-01 Patrick S Washburn and Chris Lamb tell the full story of the past the present and to a degree the future of American sports journalism Sports Journalism chronicles how and why technology religion social movements immigration racism sexism social media athletes and sportswriters and broadcasters changed sports as well as how sports are covered and how news about sports are presented and disseminated One of the influential

factors in sports coverage is the upswing in the number of women sports reporters in the last forty years Sports Journalism also examines the ethics of sports journalism how sports coverage frequently has differed from that of non sports news and how the internet has spawned a set of new ethical issues *Crafting a Class* Elizabeth A. Duffy,Idana Goldberg,2014-07-14 Admissions and financial aid policies at liberal arts colleges have changed dramatically since 1955 Through the 1950s most colleges in the United States enrolled fewer than 1000 students nearly all of whom were white Few colleges were truly selective in their admissions they accepted most students who applied In the 1960s as the children of the baby boom reached college age and both federal and institutional financial aid programs expanded many more students began to apply to college For the first time liberal arts colleges were faced with an abundance of applicants which raised new questions What criteria would they use to select students How would they award financial aid The answers to these questions were shaped by financial and educational considerations as well as by the struggles for civil rights and gender equality that swept across the nation The colleges answers also proved crucial to their futures as the years since the mid 1970s have shown When the influx of baby boom students slowed colleges began to recruit aggressively in order to maintain their class sizes In the past decade financial aid has become another tool that colleges use to compete for the best students By tracing the development of competitive admission and financial aid policies at a selected group of liberal arts colleges *Crafting a Class* explores how institutional decisions reflect and respond to broad demographic economic political and social forces Elizabeth Duffy and Idana Goldberg closely studied sixteen liberal arts colleges in Massachusetts and Ohio At each college they not only collected empirical data on admissions enrollment and financial aid trends but they also examined archival materials and interviewed current and former administrators Duffy and Goldberg have produced an authoritative and highly readable account of some of the most important changes that have taken place in American higher education during the tumultuous decades since the mid 1950s *Crafting a Class* will interest all readers who are concerned with the past and future directions of higher education in the United States Originally published in 1997 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *Parameters* ,1977

Instead of the Dole Hermione Parker,2018-06-28 This book first published in 1989 assesses the existing tax and benefit systems as being beyond repair and examines the case for integration Integrated tax benefit systems change the basis of entitlement from contribution record and contingency to citizenship and need Having shown that full integration is not realistic the author discusses four major partial integration options in detail Basing her comparison on detailed analysis of specific models she is able to compare the redistributive and incentive efforts of each scheme *Black Gotham* Carla L.

Peterson, 2011-02-22 Narrates the story of the elite African American families who lived in New York City in the nineteenth century describing their successes as businesspeople and professionals and the contributions they made to the culture of that time period *Voluntarism at the Crossroads* Gordon Manser, Rosemary Higgins Cass, 1976 **Resources in Education**, 1992 Serves as an index to Eric reports microform *The Literary Gazette and Journal of the Belles Lettres, Arts, Sciences, &c*, 1852 **The Radical Fund** John Fabian Witt, 2025-10-14 From Pulitzer Prize finalist John Fabian Witt comes the captivating secret history of an epic experiment to remake American democracy Before the dark money of the Koch Brothers before the billions of the Ford Foundation there was the Garland Fund In 1922 a young idealist named Charles Garland rejected a million dollar inheritance In a world of shocking wealth disparities shameless racism and political repression Garland opted instead to invest in a future where radical ideas like working class power free speech and equality might flourish Over the next two decades the Garland Fund would nurture a new generation of wildly ambitious progressive projects The men and women around the Fund were rich and poor white and Black They cooperated and bickered they formed rivalries fell in and out of love and made mistakes Yet shared beliefs linked them throughout They believed that American capitalism was broken They believed that American democracy if it had ever existed stole from those who had the least And they believed that American institutions needed to be radically remade for the modern age By the time they spent the last of the Fund's resources their outsider ideas had become mass movements battling to transform a nation A luminous testament to the power of visionary organizations and a meditation on the vexed role of money in American life The Radical Fund is a hopeful book for our anxious angry age an empowering road map for how people with heretical ideas can bring about audacious change Weill's Musical Theater Stephen Hinton, 2012-04-10 In the first musicological study of Kurt Weill's complete stage works Stephen Hinton charts the full range of theatrical achievements by one of twentieth century musical theater's key figures Hinton shows how Weill's experiments with a range of genres from one act operas and plays with music to Broadway musicals and film opera became an indispensable part of the reforms he promoted during his brief but intense career Confronting the divisive notion of two Weills one European the other American Hinton adopts a broad and inclusive perspective establishing criteria that allow aspects of continuity to emerge particularly in matters of dramaturgy Tracing his extraordinary journey as a composer the book shows how Weill's artistic ambitions led to his working with a remarkably heterogeneous collection of authors such as Georg Kaiser Bertolt Brecht Moss Hart Alan Jay Lerner and Maxwell Anderson
