

ECOTOURISM: A GUIDE FOR PLANNERS & MANAGERS

*Edited by King Lindberg
or Donald E. Lindberg
Foreword by David Weaver*

THE ECOTOURISM SOCIETY
1991

1 Ecotourism Guide Manager Planner Volume

John Merson, Rosie Cooney, Paul Brown

1 Ecotourism Guide Manager Planner Volume:

Tourism Ecolabelling Xavier Font, Ralf Buckley, 2001 Annotation There is currently immense interest in measuring the sustainability of tourism in general and of ecotourism in particular Until this time it has been difficult for consumers to know whether claims of tourism destinations and products being ecological and sustainable are based on hard evidence The tourism industry has therefore been developing methods to measure these objectively in the form of ecolabels This book is the first substantial one to review this subject Emphasis is placed on the criteria used in ecolabels to determine sustainability the marketing of ecologically labelled tourism products and the management of current ecolabels and awards

Recreation and Parks Betty Van der Smissen, 2005 Gaining an understanding of the recreation and parks profession is crucial to success in the field and to effective leadership within the field Recreation and Parks The Profession is a one of a kind resource that delineates the components that make this complex field a profession Written by well known recreation authority Betty van der Smissen this book defines the marks of the recreation and parks profession and identifies the steps involved in becoming a professional in the field profiles 62 professional organizations within the profession provides a Web site that features a time line of the development of areas and organizations of the profession and the most up to date Web addresses for organizations detailed in the text outlines a comparative history of 15 categories of the recreation and parks field in the United States and Canada and presents a classic to contemporary bibliography of resources that showcases an inclusive body of knowledge on the profession Part I describes recreation and parks as a profession and provides students with steps to lay a solid foundation to become a professional Part II grounds readers with a comparative historical overview of the recreation and parks field from the 1500s to the present day The author divides the field into 15 categories and offers suggestions on how to use the time line Part III profiles 62 professional organizations Each profile includes the organization's mission goals structure history publications services and professional credentialing information In addition it lists the organization's Web sites contact information and other vital information that students use in completing course work in applying for internships and in researching various aspects of the profession Part IV contains a bibliography of selected resources on recreation and parks from classic to the present Recreation and Parks The Profession includes a Web site that not only provides links to other current Web sites for the organizations profiled but it also is linked to a color coded version of the time line The time line is ready to download print and use in the classroom or office This version of the time line provides the most effective way to obtain an overall picture of the historical comparison of the categories in the recreation and parks profession Recreation and Parks The Profession is a unique resource for students professors and professionals in recreation and parks The text brings together the important aspects of the field as a profession

Strategic Management in Tourism, 3rd Edition. CABI Tourism Texts Luiz Moutinho, Alfonso Vargas-Sanchez, 2018-02-26 This comprehensive textbook has at its core the importance of linking strategic thinking with action in the management of tourism It provides an

analytical evaluation of the most important global trends as well as an analysis of the impact of crucial environmental issues and their implications Now in its third edition and reviewing the major factors affecting international tourism management this well established student resource provides an essential overview of strategic management for students and professionals in the tourism sector

Forestry for the Next Decade Ajoy Kumar Bhattacharya,2007 In the Indian context contributed articles *Natural Area Tourism* David Newsome,Susan A. Moore,Ross Kingston Dowling,2012-12-01 Natural Area Tourism provides an authoritative and comprehensive account of tourism in natural wild and protected areas The second edition contains an overview of key literature and new developments that have emerged since the publication of the first edition more than a decade ago Accordingly this book will remain an invaluable resource and review of the subject for many years to come

Ecotourism Megan Epler Wood,2002 This publication intended as a preparatory document for the World Ecotourism Summit in Quebec 2002 reviews the current status and trends in ecotourism globally the challenges ahead and the lessons learned in over 15 years of ecotourism development involving a broad range of stakeholders The document incorporates comments and suggestions from recognized academics NGO representatives and inter governmental agencies such as WTO IUCN and UNEP It provides an overview of the history and current thinking on what constitutes ecotourism what constitutes an ecotourism experience and considers the components of successful ecotourism The author considers the roles of various stakeholders industry both in originating and destination countries NGOs communities women government development agencies and researchers The document ends with a useful list of resource documents and organizations

Communicating Protected Areas Denise Hamú,Elisabeth Auchincloss,Wendy Goldstein,2004 Protected areas operate within complex ecological and social systems presenting challenges that cannot be resolved by technical solution alone Achieving the management objectives of protected areas requires a social approach in which strategic communication is a key instrument This publication explores the often underestimated potential of communication sharing valuable experiences from protected areas across the world drawing on papers presented at the Vth IUCN World Parks Congress 2003 and others

Tourism in South America Gui Santana,2012-12-06 Develop the untapped possibilities of this potential tourist El Dorado Given its size location cultural attractions and natural beauty South America gets far less of the international tourist dollar than it deserves This valuable book identifies and explores the major issues that influence and shape tourism in South America Tourism in South America includes original empirical research into the image people have of this varied continent the factors that draw people to visit South America and the fears lack of knowledge and negative images that can keep tourists away Tourism in South America examines current practices and suggests alternative models of development Its informative discussions range from cultural tourism to sustainable tourism to developing human resources The original empirical research in this volume offers unique insights and reference notes are included The reader will encounter varied points of view in Tourism in South America You can expect to view Australian travel industry perspectives on Latin American

tourism explore the impact of tourism on the Argentina s Patagonian Coast examine the environmental tactics that Mexican and Jamaican hotel companies employ survey the recreation preferences of hikers in a Colombian National Park ponder the implications of performing traditional dances for modern tourists in the AmazonTour operators hotel managers local tourism boards and others seeking the attention of tourists will profit from the new strategies and original research presented in Tourism in South America Conservation in a Crowded World: Case studies from the Asia-Pacific John Merson,Rosie Cooney,Paul Brown,2012 In an increasingly crowded world reconciling environmental conservation with the sustainable use of natural resources is now our greatest challenge Nature conservation has traditionally focused on protecting iconic and important areas of biodiversity from human exploitation through the establishment of National Parks and World Heritage Areas While this is essential a narrow focus on protected area conservation risks overlooking local needs in areas where people and natural systems must co exist This book addresses some key questions for the sustainable use of natural environments What should be conserved and who decides Is use compatible with conservation and under what circumstances Are trade offs between conservation and development necessary How do we find those elusive win win solutions This book covers an extraordinary range of issues in a way that is both compelling and readable Can there be a more important topic Robyn Williams ABC Science Unit The challenge for all of us now is to let go of old paradigms of conservation and land use that have seen wildlife become increasingly unsafe in the wild and lands degrade to embrace instead a new order of strategies that will simultaneously optimise conservation ecosystem services and human well being A good place to start would be those whose visions are showcased in this excellent publication Professor Mike Archer Evolution of Earth Life Systems Research Group University of New South Wales **ISCONTOUR 2014 - Tourism Research Perspectives** Roman Egger,Christian Maurer,2014-05-02 Proceedings of the ISCONTOUR The aim of the International Student Conference in Tourism Research ISCONTOUR is thus to offer students a unique platform to present their research and to establish a mutual knowledge transfer forum for attendees from academia industry government and other organisations The annual conference wich is jointly organised by the IMC University of Applied Sciences Krems and the Salzburg University of Applied Sciences will take place alternatively at the locations Salzburg and Krems The conference research chairs are Prof FH Dr Roman Egger Salzburg University of Applied Sciences and Prof FH Mag Christian Maurer University of Applied Sciences Krems The target audience include international students also PhDs graduates teachers and lecturers from the field of tourism and leisure management as well as companies and anyone interested in the conference topic areas Issues to be covered at the conference include the following areas within a tourism context Marketing Management Tourism Product Development Sustainability Information and Communication Technologies
