

HAPPY 1 YEAR ANNIVERSARY

A silhouette of a couple holding hands, with the person on the left standing and the person on the right sitting or kneeling. They are positioned against a background of a sunset or sunrise, with a gradient from dark purple at the top to bright orange at the bottom. The text is centered over the image.

There are over 31 million seconds in a year
And each one with you has made it more clear
That my love for you hasn't even scratched the veneer
The depths of my dotting are far from exploding
My stream of solicitude is fully flowing
And my love for you is ever-growing
We've seen mountains and canyons and oceans and lakes
Expanded our family, but for goodness sake
My love for you hasn't begun to quake
With each day passing, and not a moment to spare
Every second with you there is love in the air
And my love for you is special, it's rare
For my love for you knows no bounds
It's here, it's there, and it's all around
It thumps the loudest and makes no sound
It's the peckish peasant, it's the king with a crown
It's the largest city, it's the quaintest town
But most of all, it's a love that's found
31 million seconds have come and gone
And my love for you is a love that lives on

Alfred Tennyson Poet Laureate Alfred Tennyson Baron Tennyson, 1870 *The German Prisoner* James Hanley, 2006 Brilliant in its stark depiction of trench warfare in World War I this lost classic was privately printed in a limited edition in 1930 British censors initially suppressed the short novel because of its tough antiwar views and sympathetic portrayals of German soldiers and even today's readers may be unprepared for its scenes of horrific battlefield carnage and men driven to madness by relentless psychological stress Providing a new view of an underappreciated Canadian author the book also stands as a fascinating addition to the comparatively small shelf of literature by writers who fought in the Great War The Dramatic Works and Poems William Shakespeare, 1843 **That Summer in Paris** Morley Callaghan, 2006 It was the fabulous summer of 1929 when the literary capital of North America moved to La Rive Gauche the Left Bank of the Seine River in Paris Ernest Hemingway was reading proofs of *A Farewell to Arms* and a few blocks away F Scott Fitzgerald was struggling with *Tender Is the Night* As his first published book rose to fame in New York Morley Callaghan arrived in Paris to share the felicities of literary life not just with his two friends Hemingway and Fitzgerald but also with fellow writers James Joyce Ford Madox Ford and Robert McAlmon Amidst these tangled relations some friendships flourished while others failed This tragic and unforgettable story comes to vivid life in Callaghan's lucid compassionate prose
