2014 Kindle Swimsuit Edition:

Immersion Karen Throsby, 2016-07-01 Immersion is about the extreme sport of marathon swimming Drawing on extensive auto ethnographic data Immersion explores the embodied and social processes of becoming a marathon swimmer and investigates how social belonging is produced and policed Using marathon swimming as a lens this foundation provides the basis for an exploration of what constitutes the good body in contemporary neoliberal society across a range of sites including charitable swimming fatness gender and health The book argues that the self representations of marathon swimming are at odds with its lived realities and that this reflects the entrenched and limited discursive resources available for thinking about the sporting body in the wider social and cultural context The book is aimed primarily at readers at undergraduate level and upwards with an interest in sociology the sociology of the body the sociology of sport gender and the sociology of health and illness

Fat Tactics Erec Smith, 2018-11-23 This book explores and analyzes the ways fat acceptance activists have advocated through language and tactical action Using Anthony Giddens concept of Structuration in the make up of ideology the book identifies how fat acceptance activists use signification domination and legitimation to strengthen their cause Thus their actions are both rhetorical and tactical Fat considered a descriptor and not a negative label among activists is highly stigmatized for arbitrary reasons in various areas of life ranging from the fashion industry to health care This books shows how fat acceptance activists work to remedy this situation

The Routledge Companion to Gender and Sexuality in Comic Book Studies Frederick Luis Aldama, 2020-08-17 The Routledge Companion to Gender and Sexuality in Comic Book Studies is a comprehensive global and interdisciplinary examination of the essential relationship between Gender Sexuality Comics and Graphic Novels A diverse range of international and interdisciplinary scholars take a closer look at how gender and sexuality have been essential in the evolution of comics and how gender and sexuality in comics demand that we re frame and re view comics history Chapters cover a wide array of intersectional topics including Queer Underground and Alternative comics Feminist Autobiography re drawing disability Latina testimony and re evaluating the critical whiteness and masculinity of superheroes in this first truly global reference text to gender and sexuality in comics Comics have always been an important place for the radical exploration of feminist and non binary sexualities and identities and the growth of non normative comic book traditions as a field of inquiry makes this an essential text for upper level undergraduates postgraduates and researchers studying Comics Studies Women s and Gender Studies Literary Studies and Cultural Studies

The Next Mormons Jana Riess, 2019-02-01 American Millennials the generation born in the 1980s and 1990s have been leaving organized religion in unprecedented numbers For a long time the Church of Jesus Christ of Latter day Saints was an exception nearly three quarters of people who grew up Mormon stayed that way into adulthood In The Next Mormons Jana Riess demonstrates that things are starting to change Drawing on a large scale national study of four generations of current and former Mormons as well as dozens of in depth personal interviews Riess explores the religious

beliefs and behaviors of young adult Mormons finding that while their levels of belief remain strong their institutional loyalties are less certain than their parents and grandparents For a growing number of Millennials the tensions between the Church s conservative ideals and their generation s commitment to individualism and pluralism prove too high causing them to leave the faith often experiencing deep personal anguish in the process Those who remain within the fold are attempting to carefully balance the Church s strong emphasis on the traditional family with their generation s more inclusive definition that celebrates same sex couples and women s equality Mormon families are changing too More Mormons are remaining single parents are having fewer children and more women are working outside the home than a generation ago The Next Mormons offers a portrait of a generation navigating between traditional religion and a rapidly changing culture Religion Today Ross Aden,Chris A. Kramer,2024-07-02 Religion Today introduces students to key concepts in religious studies through a compelling problem solving framework Each chapter opens with a contemporary case study that helps students engage in current religious issues explore possible solutions to difficult religious problems today and learn key themes and concepts in religious studies To enhance student learning a free Student Study Guide is available for download from Rowman Littlefield The Study Guide features chapter summaries definition quizzes for students to test themselves on key terms and possible learning activities **Swimsuit Edition** ,2005
