Lawton, 2023-09-19 Desire for beauty is at the heart of human existence Some find this meaning out of their religious or spiritual perspective Some find it at the edge of their traditions And others find it outside any recognizable tradition This book speaks especially to the second and third groups of people Desire releases us to explore difference and to honor alternatives Desire shapes our lives in unique ways It centers our energies for personal and relational change where difference can be debated and variety permitted We might transcend circumstances that limit us Desire is more than meaningfulness it is captivation of mind and spirit to life s possibility In my discovery desire is an abandonment to beauty

Reproducing Inequalities in Teaching Stefania Pigliapoco, 2022-12-30 The book analyses how lines of non belonging are traced and how notions of non belonging circulate around and are attached to students from immigrant backgrounds Such circulations coalesce around values and practices linked to gendered ethnic majority middle class norms through which difference is positioned and opposed in hierarchical terms This project analyses the relationship between teachers identities and their attitudes and pedagogic dispositions towards students from immigrant backgrounds showing how these affect each other contributing to their state of non belonging in the educational setting and in the wider society Attention is brought to

the pervasive and normalised background of neoliberal ideology permeating the educational environment In examining the problematic relationship between the previous elements the book uncovers the intersectional reproduction of lines of belonging and not belonging While the analysis is centred on a study in Italy it is situated within and provides links to international connections facilitating a wider and global understanding of issues related to social justice The book will be of interest to undergraduate and postgraduate students and researchers across sociology education gender and cultural studies Due to the intersectional approach and the width of the issues explored it will be of use to policymakers and practitioners
