One Century of the Discovery of Arsenicosis in Latin America (1914-2014) As2014 Marta I. Litter, Hugo B. Nicolli, Martin

Meichtry,Natalia Quici,Jochen Bundschuh,Prosun Bhattacharya,Ravi Naidu,2014-04-08 The Congress Arsenic in the Environment offers an international multi and interdisciplinary discussion platform for research aimed towards a holistic solution to the problem posed by the environmental toxin arsenic with considerable societal impact The congress has focused on cutting edge and breakthrough research in physical chemical toxic The Dhaka University Studies ,2017 **The Aid Lab** Naomi Hossain,2017 From an unpromising start as the basket case to present day plaudits for its human development achievements Bangladesh plays an ideological role in the contemporary world order offering proof that the neo liberal development model works under the most testing conditions How were such rapid gains possible in a context of chronically weak governance The Aid Lab subjects this so called Bangladesh paradox to close scrutiny evaluating public policies and their outcomes for poverty and development since Bangladesh s independence in 1971 Countering received wisdom that its gains owe to an early shift to market oriented economic reform it argues that a binding political settlement a social contract to protect against the crises of subsistence and survival united the elite the masses and their aid donors in the wake of the devastating famine of 1974 This laid resilient foundations for human development fostering a focus on the poorest and most precarious and in particular on the concerns of women In chapters examining the environmental political and socioeconomic crisis of the 1970s the book shows how the lessons of the famine led to a robustly pro poor growth and social policy agenda empowering the Bangladeshi state and its non governmental organizations to protect and enable its population to thrive in its engagements in the global economy Now a middle income country Bangladesh s role as the world s laboratory for aided development has generated lessons well beyond its borders and Bangladesh continues to carve a pioneering pathway through the risks of global economic integration and climate change Foreign Aid and Bangladesh Mohammad Mizanur Rahman,2024-08-12 Foreign Aid and Bangladesh offers a rich combination of aid history from the evolution of aid as a global agenda after WWII to the rise of different multilateral bilateral and emerging donors and their policy shifts and a nuanced perspective of aid partnerships at the country level Drawing on first hand experiences and insights the author deeply investigates the realities of a longstanding aid recipient Bangladesh and argues that without a political economy approach one cannot understand the realpolitik of development aid As an emerging economy from the global south Bangladesh has been a longstanding partner and recipient of international aid since 1971 Bangladesh has also been active in the global discussions leading to redefining the new narrative and arguments for the new aid regime since the beginning of this century Building on the analysis of Bangladesh s aid relations the book shows that there has not been any qualitative shift in aid behavior in the new aid regime that set new norms after the end of the Cold War to ensure recipients ownership and welcomed an expanding aid landscape by integrating emerging economies from the Global South for achieving better development results The book analyzes the role of different actors in the development partnership both traditional and emerging donors such as China and India and their partnership practices It examines different forms of aid and their

changing perspective particularly technical assistance Based on more than two decades of research and profound insider observations the book debunks the myth that Southern providers could be more benign to their partners The arguments placed in the book expose that there is no difference between traditional and emerging donors in ensuring donors business and strategic interests While donors continue to ensure their interests in providing aid the Realpolitik of the situation in the recipient country shows that there is a specific economic and political agenda in pursuing aid Presenting a comprehensive picture of Bangladesh s aid partnership through the lens of new development partnership principles and narratives of development aid this book will be of interest to scholars and researchers of aid and development studies and political science as well as South Asian Studies Donor officials civil servants and national and international policy communities will also benefit from this book
