Canadian Almanac & Directory, 2015 Tannys Williams, 2014-10 The Canadian Almanac Directory is the most complete source of Canadian information available cultural professional and financial institutions legislative governmental judicial and educational organizations Canada's authoritative sourcebook for all The European Union's Eastern Neighbourhood Today Dan Dungaciu, Valentin Naumescu, 2015-02-05 This book arrives at a very significant time throughout Europe Not only is the European Union currently facing a prolonged economic and social crisis with nascent political consequences such as the ascension of populist parties in the 2014 European elections but also its Eastern neighbourhood is confronted with the growing hostility of an assertive Russia opposing any new advance of the West towards its frontiers Bringing together experts in fields such as international relations political science political sociology diplomacy security studies and European studies with robust academic and professional backgrounds and expertise with regard to the region this volume explores this significant window of opportunity and will undoubtedly appeal to a global audience The considerable diversity of approaches and styles here allows a multidimensional diagnosis and analysis of present day Eastern Europe This volume defines a series of major regional opportunities vulnerabilities and dilemmas and explores the complex perspectives of the new Eastern Europe located between the European Union and Russia under its current name of the EU's Eastern Neighbourhood along with the tensions and challenges of a possible second Cold War **Frisians and Their North Sea Neighbours** John Hines, Nelleke IJssennagger, 2017 La 4e de couv indique As early as the 1st century AD learned Romans knew of more than one group of people living in north western Europe beyond their Empire's Gallic provinces whose names contained the element that gives us modern Frisian Those apparently were Celtic speaking peoples but that population seems to have completely replaced in the course of the convulsions that Europe underwent at the transition from the Ancient world to the Early Medieval in the 4th and 5th centuries The importance of linguistically Germanic Frisians as neighbours of the Anglo Saxons Franks Saxons and Danes in the centuries immediately following the fall of the Roman Empire in the West is widely recognized and yet these folk themselves remain enigmatic and the details of their culture and organization unfamiliar to many The Frisian population and their lands are the focal point of this volume although as is shown we often have to approach and to understand these people through comparison with or even through the eyes of their neighbours Empirically this perspective embraces all of the coastal communities of the North Sea region and their connexions with the Baltic shores Twelve separate but complementary papers present the most up to date discoveries research and interpretations following the story of the various Frisians through from the Roman Period to the next great period of disruption and change introduced

by the Viking Scandinavians Methodologically the thorough combination and integration of linguistic textual and archaeological evidence offers a new multidisciplinary template and sets new standards for Early Medieval studies Rome and the north-western Mediterranean Toni Naco del Hoyo,Jordi Principal, Mike Dobson,2022-11-30 To date Rome's intervention to the West from the mid second century BC has not really been looked at with any sense of overview Instead there has been an unconnected series of micro regional studies looking at particular areas from the river Ebro in Spain round to Italy on the land front and from the Balearic Islands to Corsica Sardinia and even Sicily as regards the seaborne aspect In contrast the aim of this volume is to push the historical and archaeological debates about Rome's expansion beyond these traditional geographical boundaries and the discipline based previous research The entire north western Mediterranean is treated as a micro region and is addressed using various interdisciplinary approaches The result is to provide an innovative and comprehensive overview of the north western Mediterranean in a period of historical crossroads aided particularly by focusing on the connectivity and integration within this region as two interrelated issues While Republican Rome enforced itself as an expansive power towards the West all sorts of polities military operations and individuals also played a significant role in creating interconnectivity and integration of the north western Mediterranean into a new hybrid reality In order to uncover such processes of hybridisation contributors to this volume were encouraged to focus on the historical archaeological and numismatic material from several areas within the region and to incorporate aspects of interdisciplinary methodologies in order to address the region's military political social and economic interconnections with Italy Rome and each other within the overall period SME Policy Index: Western Balkans and Turkey 2019 Assessing the Implementation of the Small Business Act for Europe OECD,European Training Foundation,European Union,European Bank for

Reconstruction and Development,2019-05-06 Robust SME sectors are critical to the prosperity of the six Western Balkan economies and Turkey accounting for over 70% of those employed in the business sector and generating 65% of value added in these seven economies Yet their potential remains untapped as SMEs across the region grapple **12 Previous Year**

Drug Safety Nigel S. B. Rawson, With Big Pharma garnering an increasing number of negative headlines due to reports of adverse drug reactions and a surge in prescription drug addiction and overdose deaths many people are increasingly skeptical about the safety of modern pharmaceuticals and the moral integrity of the pharmaceutical industry This book was written to provide a balanced perspective on drug safety risks No therapeutic prescription drug is entirely risk free Before receiving marketing approval new drugs go through arduous and expensive testing processes that can take up to a decade and cost over two billion dollars While not perfect the process is far from a Wild West environment where big pharmaceutical companies ride roughshod over government regulators However author and pharmacoepidemiologist Nigel Rawson argues the antipathy that is common between governments

pharmaceutical industry and academic experts in Canada needs to change to an environment of collaboration and partnership to enhance our ability to respond in a timely fashion to future pharmaceutical crises While directed mainly at students in the health sciences and pharmaceutical professionals this book will be of interest to anyone including lay people and policy makers who would like to know more about the evolution of the prescription drug evaluation and risk assessment process Although the book focuses primarily on Canada it makes comparisons with the United States and Europe and several of the author s recommendations for how to improve the prescription drug evaluation process are applicable worldwide

‘Save Soil’ by Managing Soil Nutrient Losses, Agronomic Practices and Crop-Microbial Interaction: World Soil Day 2022 Arnab Majumdar,Debojyoti Moulick,Sudhakar Srivastava,2024-02-07 Soil is not only a fundamental source for all living organisms but also impacts non living factors water air minerals etc making it an invaluable and finite resource The importance of soil expands from agronomy through to industrialization thus it is crucial to understand the impact of human activity on soil quality To address several global issues related to pollution food security and health the United Nations promotes the Sustainable Development Goals SDGs with targets to save soil by minimizing nutrient loss and pollution load from the soil Due to increasing anthropogenic pollution load many soil pollution control measures are failing therefore new technologies and eco friendly solutions are needed to balance and restore soil health Soil crop interactions are essential considering the crop yield and productivity under different soil statuses These processes including nutrient release or soil detoxification are mediated by soil inhabiting microbes In fact the intrinsic role of soil parameters including the different classes of soil control soil microbiota which in turn modulate soil nutrient contents and makes these bioavailable Different crops especially cereals are constantly interacting with these soil microbes thus the relationship between soil crops and microbes is complex Yearbook of International Organizations 2014-2015, Volumes 1a & 1b (Set) Union of International Associations,2014-06-16 Volume 1 A and B covers international organizations throughout the world comprising their aims activities and events **Magbook Indian Economy 2020** Rakesh kumar Roshan,2020-07-30 1 Magbook series deals with the preliminary examinations for civil series 2 It s a 2 in 1 series offers advantages of both Magazine and book 3 The entire syllabus of Indian Economy divided into 17 Chapters 4 Focuses on the Topics and Trends of question asked in Previous Years Questions 5 Offers Chapterwise Practice and well detailed explanations the previous Years questions 6 More than 3000 MCQs for the revision of the topics 7 5 Practice sets and 2 Previous Years solved Papers sets for thorough practice 8 The book uses easy language for quick understanding Preparing for the examinations like UPSC State PCS or any other civil Services papers students need to have a comprehensive complete and concrete knowledge about their subjects from the point of view exam Arihant MAGBOOK Series is a must for Civil Services Pre Examination State PCS Other Comprehensive Examinations It s a 2 in 1 series that provides all the study material in concise and brief manner offering unique advantage of both Magazines and Books It comprehensively covers the syllabus of General Studies portion of the UPSC and State PCS
