

You need to refer to **Source A** and **Source B** for this question.

Both sources describe the **similar ways** in which **drivers behave**.

Use details from both sources to write a **summary** of what you understand about the **similar behaviour** of the **drivers**. [8 marks]

- ① Drivers = irresponsible ("gambling" / "chasing")
- ② Drivers = selfish & inconsiderate
↳ ("war on the roads" / "Hi!")

Both sources illustrate the similar ways the drivers behave as Source A and Source B reveal that the drivers whom the cyclists encounter are irresponsible in their conduct. The author of Source A illustrates that the driver acted dangerously as they were "gambling" on the fact that the cyclist would not swerve or shift position. Moreover in Source B, the hansom drivers were irresponsibly "chasing" the carless as a fun sport. This illustrates that the cyclists in both sources experience extremely rude drivers who act somewhat inattentively towards the cyclists in order to make themselves feel superior. Thus the drivers in Source A and Source B act irresponsibly towards the authors who are cyclists.

The Campus Rape Frenzy KC Johnson, Stuart Taylor, Jr., 2018-05-22 In recent years politicians led by President Obama and prominent senators and governors have teamed with extremists on campus to portray our nation's institutions of higher learning as awash in a violent crime wave and to suggest preposterously that university leaders professors and students are indifferent to female sexual assault victims in their midst Neither of these claims has any bearing to reality But they have achieved widespread acceptance thanks in part to misleading alarms from the Obama administration and biased media coverage led by The New York Times The frenzy about campus rape has helped stimulate and has been fanned by ideologically skewed campus sexual assault policies and lawless commands issued by federal bureaucrats to force the nation's all too compliant colleges and universities essentially to presume the guilt of accused students The result has been a widespread disregard of such bedrock American principles as the presumption of innocence and the need for fair play This book uses hard facts to set the record straight It explores among other things nearly two dozen of the cases since 2010 in which students who in all likelihood would have or have subsequently been found not guilty in a court of law have in a lopsided process been hastily and carelessly branded as sex criminals and expelled or otherwise punished by their colleges often after being tarred and feathered by their fellow students And it shows why all students and eventually society as a whole are harmed when our nation's universities abandon pursuit of truth and seek instead to accommodate the passions of the mob As detailed in the new Epilogue some encouraging events have transpired since this book was first published in October 2016 A majority of the judicial rulings in dozens of lawsuits by male students claiming their schools treated them unfairly and discriminated against them based on their gender have rebuked the schools for their handling of these cases And Education Secretary Betsy DeVos called for fairness to accused students and accusers alike revoked most of the guilt presuming Obama era policies and began a protracted rule making process designed to compel procedural fairness and nondiscrimination

Vault Guide to the Top 50 Management and Strategy Consulting Firms, 2014 Edition VAULT, [Homosexuality FAQs - A Christian Perspective eBook](#) Daniel Lim & Ian Toh, 2022-07-22 Homosexuality is not a recent phenomenon or a newly emerged issue It exists since the ancient time despite the suppression by tradition and culture It started to surface in recent years as technology and media have developed in racing speed The society has become more open and acceptive to the topic people started to reflect on the traditional thinking on human relationship voices and discussions regarding homosexuality are getting common The word homosexuality which merely means same sex relationship in the past has evolved to LGBTQ which covers Lesbians Gays Bisexuals Transgenders and Queers nowadays Although there are more discussions do we truly understand LGBTQ How should we discern the right and

wrong From Christian perspective how should see it and live with its community Does the Bible provide us the answer In the past when religions are confronted by issues of homosexuality and LGBTQ they would quickly jump into a conclusion such as sin against the nature promiscuity unclean etc On one hand religious communities subconsciously hold different attitudes and mindsets toward LGBTQ community on the other hand media coverage and celebrity influence exalt the revolution and advocacy of LGBTQ so that people or religious bodies who hold different point of views may be labeled as conservative old fashioned traditional conventional etc Over time a gap has formed between LGBTQ and religious communities Nevertheless before we decide between the right and wrong or give people a label of unrighteousness could we jump out of the endless quarrel opposition or criticism Could we adjust our perspective to understand to observe and to contemplate the matter so that we can better serve this community and walk with them with the love of Christ while we hold on to the law and principle of God Homosexuality FAQs A Christian Perspective is a wonderful guide for Churches It helps readers to understand the issue more comprehensively find out the viewpoints of the Bible and learn how to reach out and serve LGBTQ community This book clears doubts and confusions on LGBTQ through 10 questions in the first section It tries to rebut general arguments from objective and scientific perspective In the second section it discusses LGBTQ from biblical perspective through 16 questions Lastly the editors laid out 6 questions to discuss the relation between Christians and the society on LGBTQ issue Each answer begins with quick response to give readers the key concept then followed by elaboration and more supplementary information This structure is clear and easy to follow What I appreciate the most is that it does not merely lay out a pile of data and evidence but also shares ministry tips at the end of some answers so that readers can break through the frame of merely knowledge thinking and critique and more important they can learn how to bridge the gap between the LGBTQ and us counsel and serve LGBTQ community Whether you want to know more the issue or feel the burden to serve the LGBTQ community this book is worth to read Bishop Dr Titus Chung Anglican Diocese of Singapore President National Council of Churches of Singapore **Informatics, Networking and Intelligent Computing** Jiaying Zhang, 2015-05-06

Me and My House Magdalena J. Zaborowska, 2018-03-29 The last sixteen years of James Baldwin's life 1971-87 unfolded in a village in the South of France in a sprawling house nicknamed Chez Baldwin. In *Me and My House* Magdalena J. Zaborowska employs Baldwin's home space as a lens through which to expand his biography and explore the politics and poetics of blackness, queerness and domesticity in his complex and underappreciated later works. Zaborowska shows how the themes of dwelling and black queer male sexuality in *The Welcome Table*, *Just above My Head* and *If Beale Street Could Talk* directly stem from Chez Baldwin's influence on the writer. The house was partially torn down in 2014. Accessible, heavily illustrated and drawing on interviews with Baldwin's friends and lovers, unpublished letters and manuscripts, *Me and My House* offers new insights into Baldwin's life, writing and relationships, making it essential reading for all students, scholars and fans of Baldwin.
