Annual Report Public Company:

Annual Reports John Stittle, 2003 This book concentrates on ensuring that the corporate message is communicated to stakeholders in a way that maximises the value of the annual report and outlines how this might best be achieved It explains the importance not only of the quantitative accounting information but also the qualitative content such as the chairman's statement directors report operating and financial review explanatory notes and so on Particular recognition is given to the legal stock exchange and professional accounting requirements as well as to the increasingly important but more discretionary areas of content such as social environmental and ethical reporting issues Crucially the book discusses the importance of electronic communication now that legislation allows companies to deliver information over the internet On a practical level the book takes the reader through the procedures and processes in actually managing the preparation and production of the report Both the practical and theoretical aspects of the book are placed in context by the use of relevant extracts taken from real life annual reports of major organisations By using these authentic examples the book clearly highlights what works and what doesn't Ensure that your company's annual reports conform to the highest standards of best practice Don't waste the opportunity to deliver your message

Public Companies Jonathan M. Hoff, Lawrence A. Larose, Frank J. Scaturro, 2002 *Public Companies* is designed to aid directors officers and general counsel of public companies and those intending to go public

How to Read a Financial Report John A. Tracy, 2009-04-22 How to Read a Financial Report Seventh Edition Financial reports provide vital information to investors lenders and managers Yet the financial statements in a financial report seem to be written in a foreign language that only accountants can understand This Seventh Edition of How to Read a Financial Report breaks through the language barrier clears away the fog and offers a plain English user's guide to financial reports The book helps you get a sure handed grip on the profit cash flow and financial condition of any business Here's what's new in the Seventh Edition Discussion of the transition to international accounting and financial reporting standards A streamlined centerpiece exhibit used throughout the book to explain connections between the three financial statements An integrated section on analyzing profit cash flow and solvency for investors lenders and managers now Part Two in this edition Reflection on financial reporting and auditing in the post Enron era What distinguishes Tracy's efforts from other manuals is an innovative structure that visually ties together elements of the balance sheet and income statement by tracing where and how a line item in one affects an entry in another Inc An excellent job of showing how to separate the wheat from the chaff without choking in the process The Miami Herald A wonderful book organized logically and written clearly For a Fool to be an effective investor she has to know her way around a financial statement This book will help you develop that skill It's the clearest presentation of many accounting concepts that this Fool has seen Selena Maranjian The Motley Fool
