More Messy People Women's Bible Study Leader Guide Jennifer Cowart, 2024-08-20 God can use imperfect people to do incredible things. The More Messy People Leader Guide outlines six small group sessions complete with prayers summaries and discussion questions. It is designed to be used with the Participant Workbook and DVD and will support group leaders of all experience levels in creating strong learning communities. Jen Cowart continues her study of the very messy lives of biblical heroes people who like us made mistakes but found God was able to use them in powerful ways. They all play a significant role in the biblical narrative but their stories are far from perfect. Through the lives of rival sisters like Leah and Rachel or sisters with very different personalities like Martha and Mary we see God chooses to use people who don't have it all together. Through the lives of great but imperfect biblical heroes like Moses Elijah Peter and Paul we see God meets us in our troubles and chooses us even if we seem unqualified.

Handbook for the Christian Faith James M. Dawsey, 2023-08-15 Is religion disappearing from American life? Less than 50 percent of Americans now hold membership in any religious institution and even fewer attend worship services. The decline in Christian churches is especially pronounced among the young and cuts across all denominations. But for Methodists and like-minded Protestants concerns are deeper than shrinking denominational membership. Polls show disconcerting ignorance about religious and spiritual matters even among churchgoers. Our values as a society are in large measure molded by religion. What shape will Protestant Christianity take in the twenty-first century? And of Methodism? And beyond that what kind of community will we be? Dawsey proposes returning to the roots of Christianity. And with anecdotes and stories and a sweeping grasp of church history he examines those essential practices and beliefs necessary to revitalize American churches. Key he argues is rediscovering Christianity as a philosophy of living. John Wesley characterized the practice of religion as first doing no harm second doing good and third keeping the
